

## **Laboratories and Research Facilities**

The university operates 56 course-specific laboratories and 17 research laboratories, all of which are equipped with modern instruments and safety protocols to support practical learning, experimentation, and scientific inquiry.

- The Faculty of Medical Sciences has state-of-the-art anatomy, physiology, pathology, microbiology, and biochemistry labs aligned with MCI/NMC standards.
- The Narayan Nursing College is equipped with specialty labs including the Fundamentals of Nursing Lab, Community Health Lab, Nutrition Lab, Maternal & Child Health Lab, and Pre-Clinical Science Lab, undergraduate, and postgraduate nursing education.
- The Narayan Institute of Pharmacy features fully functional laboratories in Pharmaceutics, Pharmacology, Pharmacognosy, and Medicinal Chemistry, in line with the Pharmacy Council of India (PCI) norms.
- The Paramedical and Allied Health Sciences streams are supported by laboratories for Physiotherapy, Radiological Techniques, and Medical Laboratory Technology, designed to replicate real-world clinical and diagnostic settings.
- The Narayan Institute of Agriculture Sciences includes crop research plots, demonstration farms, and laboratories for Soil Science, Agronomy, Entomology, Horticulture, and Plant Pathology, offering immersive field-based training in sustainable agriculture and precision farming
- The Faculty of Information & Technology having computer labs, electrical lab, physical lab, drawing and graphical lab, chemistry lab, practical lab.
