About 1st Deo Mangal Memorial National Moot Court Competition, 2022

The 1st Deo Mangal Memorial National Moot Court Competition 2022 has been successfully organised by the Moot Court Society, Narayan School of Law, Gopal Narayan Singh University, Jamuhar, Bihar. The Competition has been conceived with a dual objective, first to commemorate the extraordinary life of the Late Shri Deo Narayan Singh and Late Shrimati Mangala Devi who are the inspiration behind this university and secondly to celebrate the 5th foundation day of the Narayan School of law which falls on 7th October. With these objectives in mind, registrations were started from the Independence Day this year (15th Aug 2022). Moot Court Society received an overwhelming response from across the country so much so that it had to close down the registration process well before the last date, which was 30th September. Many leading law institutions of eminence which include CLC, Delhi University, Faculty of law Jamia Millia Islamia, Nalsar Hyderabad, RGNDLU, HPNDLU, Symbiosis, Amity University, Calcutta University, Sastra University Tamil Nadu etc had participated in the competition. The organising committee closed registration at eighty universities. Out of 80 registered teams, 77 finally submitted their memorials and 74 teams finally participated in preliminary rounds which were held on 14 Oct 2022. The Competition was inaugurated by Hon'ble Mr Justice Arijet Pasayat, Former Judge, the Supreme Court of India. He addressed the audience and underlined the importance of Moot court activities. Other luminaries present at the inaugural function were Hon'ble Mr. Justice Anil Updhadhyay, Judge, Patna High Court, who joined the function virtually. Shri Gopal Narayan Singh, Chancellor, Gopal Narayan Singh University. Prof (Dr) Harikrsh Singh, Visitor of Gopal Narayan Singh University Prof. Jagdish Singh, Pro VC, Gopal Narayan Singh University. Prof Dr Rakesh Verma, Director, Narayan School of Law welcomed the dignitaries. With the Permission of a Visitor of the University, the courts went live for the preliminary rounds. The competition went through several stages such as the preliminary round, Quater Final, Semi Final and final. More than 120 professionals such as lawyers, academicians, legal entrepreneurs, Researchers, and directors of legal institutions were roped in from across the country to judge these rounds. The participation of colleges and judges from every nook and corner of the country made this competition truly 'National' in every sense of the term. We have also witnessed the great spirit of inter- University collaboration as around ten volunteers from Integral University, Lucknow participated in organising this event. After going through various stages, the competition reached the finals where the audience witnessed the pinnacles of the art of advocacy by the finalist teams.

Director's Message

One of the most significant aspects of a law school is to inculcate the skill of moot court among the students. It imparts some of the most effective abilities, such as research, legal writing, critical thinking, argumentative, communication skills and skill to turn the arguments totally in their favour, are some of the essential for a successful legal professional. I believe a law student should start developing these abilities from their first year of law school.

On October 14th to 16th, Narayan School of Law, Gopal Narayan Singh University will host the "1st Deo Mangal Memorial National Moot Court Competition, 2022 (Virtual Mode)". The goal of such competitions is to mould students' personalities via extra-curricular and academic pursuits that teach them the abilities and information required to be strong advocates.

The Narayan School of Law, Gopal Narayan Singh University, Jamuhar is fortunate to be able to provide the "1st Deo Mangal Memorial National Moot Court Competition, 2022 (Virtual Mode)" to all the students. Every law student should take advantage of moot court since it gives them real experience with a variety of legal topics. I hereby welcome all the remarkably talented teams. Our Moot Court Society will ensure the Competition in the best possible manner. I wish the event a great success and may the Best Team win. Best wishes to all the team and the faculties providing guidance to the students.

Message

The 1st Deo Mangal Memorial National Moot Court Competition 2022 being organised by Narayan School of Law is the first step by the moot court society to create a platform for interaction and learning amongst the students of law schools all over the country. Moot court is an important activity for the growth of law students and is an quintessential part of their curriculum. A moot court competition simulates a court hearing (usually an appeal against a final decision), in which participants analyse a problem, research the relevant law, prepare written submissions, and present oral argument. It is a matter of great honour for us that we are going to host the young minds from all across our country at our institution. Wish all the teams a great success.

Eye Check-Up Camp on 03/01/2023

Venue: Chhatarpur, Palamu

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 110 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 110

Demographics:

Male: 52

Female: 58

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 52% diagnosed

Presbyopia (age-related near vision loss): 22% identified

Suspected Cataracts: 25% referred for further evaluation

Suspected Glaucoma: 10% referred for specialized care

Referrals: 10 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.
- They observed basic eye examination procedures (visual acuity tests, use of eye charts, torchlight exams) and learned how professionals interact with patients.
- They learned how to communicate health information in simple terms to people of varying literacy levels, enhancing their health education skills.
- Students witnessed the gaps in eye care access, especially among economically weaker sections, school children, and older adults.
- They became more aware of challenges like lack of awareness, affordability, and stigma that prevent people from seeking timely eye care.
- The camp instilled a sense of civic duty and compassion, motivating students to contribute actively to community health initiatives.
- Many students expressed interest in organizing similar camps or pursuing careers in public health or ophthalmology

Outcome:

The camp significantly contributed to raising awareness about eye health and enabled early identification of vision issues. Participants appreciated the quality of service and professional guidance provided. Follow-up measures have been initiated for those requiring further care

Eye Check-Up Camp on 05/01/2023

Venue: Hariharganj, Palamu

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 80 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 80

Demographics:

Male: 38

Female: 42

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 49% diagnosed

Presbyopia (age-related near vision loss): 25% identified

Suspected Cataracts: 17% referred for further evaluation

Suspected Glaucoma: 9% referred for specialized care

Referrals: 14 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.
- They observed basic eye examination procedures (visual acuity tests, use of eye charts, torchlight exams) and learned how professionals interact with patients.

- Students witnessed the gaps in eye care access, especially among economically weaker sections, school children, and older adults.
- They became more aware of challenges like lack of awareness, affordability, and stigma that prevent people from seeking timely eye care.
- The camp instilled a sense of civic duty and compassion, motivating students to contribute actively to community health initiatives.
- Many students expressed interest in organizing similar camps or pursuing careers in public health or ophthalmology

Outcome:

The camp significantly contributed to raising awareness about eye health and enabled early identification of vision issues. Participants appreciated the quality of service and professional guidance provided. Follow-up measures have been initiated for those requiring further care

Eye Check-Up Camp on 14/01/2023

Venue: Khshtriya Nagar, Aurangabad

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 150 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 150

Demographics:

Male: 77

Female: 73

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 55% diagnosed

Presbyopia (age-related near vision loss): 26% identified

Suspected Cataracts: 12% referred for further evaluation

Suspected Glaucoma: 7% referred for specialized care

Referrals: 17 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.
- They observed basic eye examination procedures (visual acuity tests, use of eye charts, torchlight exams) and learned how professionals interact with patients.
- They learned how to communicate health information in simple terms to people of varying literacy levels, enhancing their health education skills.
- Students witnessed the gaps in eye care access, especially among economically weaker sections, school children, and older adults.
- They became more aware of challenges like lack of awareness, affordability, and stigma that prevent people from seeking timely eye care.
- The camp instilled a sense of civic duty and compassion, motivating students to contribute actively to community health initiatives.
- Many students expressed interest in organizing similar camps or pursuing careers in public health or ophthalmology

Outcome:

The camp significantly contributed to raising awareness about eye health and enabled early identification of vision issues. Participants appreciated the quality of service and professional guidance provided. Follow-up measures have been initiated for those requiring further care

Eye Check-Up Camp on 17/01/2023

Venue: Sundarganj Bazar, Aurangabad

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 96 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants:

Demographics:

Male: 50

Female: 46

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 42% diagnosed

Presbyopia (age-related near vision loss): 34% identified

Suspected Cataracts: 14% referred for further evaluation

Suspected Glaucoma: 10% referred for specialized care

Referrals: 13 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.

Eye Check-Up Camp on 23/01/2023

Venue: Madanpur, Aurangabad

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 152 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 152

Demographics:

Male: 86

Female: 66

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 38% diagnosed

Presbyopia (age-related near vision loss): 28% identified

Suspected Cataracts: 20% referred for further evaluation

Suspected Glaucoma: 14% referred for specialized care

Referrals: 30 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.

Eye Check-Up Camp on 24/02/2023

Venue: Godari, Rohtas

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 140 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 140

Demographics:

Male: 68

Female: 72

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 41% diagnosed

Presbyopia (age-related near vision loss): 30% identified

Suspected Cataracts: 17% referred for further evaluation

Suspected Glaucoma: 12% referred for specialized care

Referrals: 25 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.
- They observed basic eye examination procedures (visual acuity tests, use of eye charts, torchlight exams) and learned how professionals interact with patients.
- They learned how to communicate health information in simple terms to people of varying literacy levels, enhancing their health education skills.
- Students witnessed the gaps in eye care access, especially among economically weaker sections, school children, and older adults.
- They became more aware of challenges like lack of awareness, affordability, and stigma that prevent people from seeking timely eye care.
- The camp instilled a sense of civic duty and compassion, motivating students to contribute actively to community health initiatives.
- Many students expressed interest in organizing similar camps or pursuing careers in public health or ophthalmology

Outcome:

The camp significantly contributed to raising awareness about eye health and enabled early identification of vision issues. Participants appreciated the quality of service and professional guidance provided. Follow-up measures have been initiated for those requiring further care.

Eye Check-Up Camp on 28/02/2023

Venue: Maliyabag, Rohtas

Organized by: NMCH, Jamuhar

A comprehensive eye check-up camp was successfully conducted, benefiting 135 participants from the local community. The event aimed to promote eye health awareness and provide early detection of common vision problems.

Key Highlights:

Total Participants: 135

Demographics:

Male: 61

Female: 74

Participant Student:

PG - 03

Intern - 5

Types of Tests Conducted:

Visual acuity testing

Refraction tests (for prescription glasses)

Intraocular pressure measurement (for glaucoma screening)

Findings:

Refractive errors (myopia, hyperopia, astigmatism): 48% diagnosed

Presbyopia (age-related near vision loss): 31% identified

Suspected Cataracts: 10% referred for further evaluation

Suspected Glaucoma: 11% referred for specialized care

Referrals: 13 participants were referred to our Hospital for further diagnosis and treatment

Impact:

- Students gained practical knowledge about frequent vision problems in the community such as refractive errors, cataracts, conjunctivitis, and digital eye strain.
- They understood the importance of early diagnosis and regular eye check-ups, especially in children and elderly individuals.
- They observed basic eye examination procedures (visual acuity tests, use of eye charts, torchlight exams) and learned how professionals interact with patients.

बांझपन के इलाज की दी जानकारी

प्रतिनिधि, सासाराम ऑफिस

दूरबीन विधि की सहायता से महिलाओं की बच्चेदानी में ऑपरेशन करके बांझपन को आसानी से दूर किया जा सकता है। बांझपन अब कोई गंभीर समस्या नहीं है। लेकिन, समय पर इसका उपचार होने से मातृत्व लाभ प्राप्त होता है। यह जानकारी नारायण मेडिकल कॉलेज एवं अस्पताल जमुहार के महिला एवं प्रसूति रोग विभाग में मेडोनिक्स हेल्थ केयर के सहयोग से गोपाल नारायण सिंह विश्वविद्यालय के देवमंगल सभागार में आयोजित कार्यशाला में दी गयी। कार्यक्रम का उद्घाटन विश्वविद्यालय के कुलपति डॉ एमके सिंह, विभागाध्यक्ष डॉ केके कॉल व पटना से आये विख्यात लेप्रोस्कोपिक सर्जन डॉ संजीव कुमार ने दीप जलाकर किया। आयोजन सचिव डॉ नूतन राज ने बताया कि स्त्री एवं प्रसूति रोग विभाग के ऑपरेशन थिएटर में बिना चीरा लगे लेप्रोस्कोपी

कार्यशाला में शामिल अतिथि व अन्य :

विधि से पांच निःसंतान महिलाओं का निःशुल्क ऑपरेशन किया गया। साथ ही बच्चेदानी की जांच व बांझपन का विशेष उपचार किया गया। पटना से आये लेप्रोस्कोपिक सर्जन एवं बांझपन रोग विशेषज्ञ डॉ संजीव कुमार ने एक महिला का बंध्याकरण भी निःशुल्क किया। इन सभी ऑपरेशन का सीधा प्रसारण

ऑपरेशन थिएटर से सभागार में मेडोनिक्स हेल्थ केयर कंपनी के सहयोग से किया गया। कार्यक्रम का समापन संयुक्त रूप से फाइनल डिस्कशन के बाद हुआ। कार्यक्रम में प्रसूति एवं स्त्री रोग विभाग के चिकित्सक, छात्र-छात्राएं व केमूर, रोहतास से आए स्त्री रोग विशेषज्ञों ने हिस्सा लिया।

जौ की खेती से हैं अनेक लाभ : डॉ धनंजय

सासाराम ऑफिस. जौ एक अनाज वाली फसल है, जिसका उत्पादन प्राचीन समय से ही किया जा रहा है। यह प्रोटीन, कार्बोहाइड्रेट के साथ कैल्शियम, आयरन, मैग्नीशियम और फास्फोरस जैसे मिनरल्स से समृद्ध होता है। साथ ही इसमें विटामिन सी, थायामिन, राइबोफ्लेविन और नियासिन जैसे कई विटामिन भी पाए जाते हैं। जौ की खेती से अनेकों लाभ हैं। उक्त बातें गोपाल नारायण सिंह विश्वविद्यालय जमुहार के अंतर्गत संचालित नारायण कृषि विज्ञान संस्थान के सस्य विज्ञान विभाग में कार्यरत सहायक प्राध्यापक डॉ धनंजय तिवारी ने बतायीं। उन्होंने कहा कि जौ कई उत्पादों में काम आता है जैसे दाने, पशु आहार, चारा और अनेक औद्योगिक उपयोग जैसे बेकरी, पेपर, फाइबर पेपर, फाइबर बोर्ड आदि उत्पाद के काम आता है तथा जौ की रोटी भी बनाई जाती है और जौ को चने व गेहूँ के साथ मिलाकर भी इस्तेमाल करते हैं। खेती वजह है कि इसे कई शारीरिक समस्याओं में भी उपयोगी माना गया है।

नारायण मेडिकल कॉलेज के प्रबंध निदेशक त्रिविक्रम नारायण सिंह को प्रमाण पत्र एवं प्रतीक चिन्ह देकर सम्मानित किया गया

त्रिविक्रम नारायण सिंह को सम्मानित करते अधिकारी।

सासाराम (एसएनबी)। प्रधानमंत्री जन अरोग्य योजना के रूप में संचालित आयुष्मान कार्डधारी के लिए संबद्ध अस्पताल के रूप में नारायण मेडिकल कॉलेज एवं अस्पताल, जमुहार को इस वर्ष भी सबसे अधिक मरीजों को उपचार करने के लिए बिहार में सभी निजी चिकित्सा महाविद्यालयों में प्रथम होने का पुरस्कार प्राप्त हुआ है। राजधानी पटना में आयोजित एक कार्यक्रम में बिहार सरकार के स्वास्थ्य एवं परिवार कल्याण मंत्रालय द्वारा नारायण मेडिकल कॉलेज के प्रबंध निदेशक त्रिविक्रम नारायण सिंह को प्रमाण पत्र एवं प्रतीक चिन्ह देकर सम्मानित किया गया। उल्लेखनीय है कि विगत कई वर्षों से राज्य में आयुष्मान लाभार्थियों को सर्वाधिक सेवा प्रदान करने के लिए नारायण मेडिकल कॉलेज पहले पायदान पर कार्य है।

यहां विशेषज्ञ चिकित्सकों के अलावा सुपर स्पेशलिटी विभाग के चिकित्सकों द्वारा भी आयुष्मान कार्ड धारी को स्वास्थ्य सेवा प्रदान की जाती है। संस्थान को यह उपलब्धि हासिल होने पर गोपाल नारायण सिंह विश्वविद्यालय के कुलाधिपति गोपाल नारायण सिंह, सचिव गोविंद नारायण सिंह, नारायण मेडिकल कॉलेज के प्राचार्य डॉ. विनोद कुमार एवं चिकित्सा अधीक्षक डॉ. मुनीत कुमार सिंह ने अस्पताल की उपलब्धि पर प्रसन्नता व्यक्त की है तथा और बेहतर स्वास्थ्य सुविधा उपलब्ध कराने हेतु रक्त चिकित्सकों एवं स्वास्थ्य कर्मियों का प्रोत्साहित किया है।

Health Check-up Camp Summary

Date: 19/03/2023

Location: Anugrah Narayan, Nagar Bhawan, Aurangabad

Organized by: NMCH, Jamuhar

A health check-up camp was successfully conducted with the participation of 150 individuals from the local community. The primary objective was to promote preventive healthcare and early diagnosis of common health conditions.

Key Highlights:

Total Participants: 150

Specialties Available:

General Medicine

General Surgery

Ophthalmology (Eye Specialist)

ENT (Ear, Nose & Throat)

Orthopedics

Paediatrics

Participant Student:

PG - 06

Intern - 22

Demographics:

Male: 85

Female: 65

Findings:

- Anaemia
- Diabetes Detected (High Blood Sugar)
- Hypertension Identified
- Hernia
- Hydrocele
- Piles
- Abscess
- Abdominal Pain
- Low Back Pain / Joint Pain
- Underweight / Malnutrition
- Jaundice
- Minor infection
- Eye Allergy / Conjunctivitis
- Normal Vision
- Ear Wax / Otitis Media
- Throat Infection / Tonsillitis

Recommendations:

Participants with abnormal results were advised to seek follow-up consultation and lifestyle changes.

Educational materials on nutrition, exercise, and chronic disease prevention were distributed.

Camp Activities & Services Provided:

Registration and Basic Vitals Check: Height, weight, BMI, blood pressure, temperature.

General Medical Consultation: Screening for hypertension, diabetes, respiratory issues, and chronic illnesses.

Surgical Consultation: Assessment of hernias, swellings, and advice on minor surgical conditions.

Ophthalmology Services: Vision testing, screening for cataract, refractive errors, and other eye conditions.

ENT Check-up: Screening for hearing loss, sinus issues, infections, and throat-related conditions.

Orthopedic Evaluation: Joint pain, arthritis, posture issues, back and spine assessments.

Paediatric Services: Growth monitoring, nutrition counseling, and common child health issues.

Referrals & Follow-up:

Participants requiring further evaluation or treatment were referred to nearby hospitals or specialty clinics.

Health education materials on diet, hygiene, chronic disease management, and child care were distributed.

Impact:

Students gained first-hand exposure to common health issues prevalent in the community (e.g., malnutrition, anemia, and hypertension).

- Understood the importance of preventive healthcare and the impact of health education at the grassroots level.

- Developed empathy and awareness of the challenges faced by rural and underserved populations.

- Realized the role of health literacy and access in improving public health outcomes.

- Improved communication and interpersonal skills by interacting with community members of all ages.

- Learned teamwork, time management, and organizational skills while coordinating different aspects of the camp.

- The experience fostered a sense of social commitment and civic duty.

- Students recognized their potential to serve as health ambassadors and catalysts for change within society.

- For many students, the camp strengthened their interest in healthcare, public service, and community work as future career paths.

Feedback

The camp received positive feedback for its multi-specialty approach and accessibility. Many participants expressed interest in regular health check-ups and requested future camps.

Conclusion:

The camp was well-received by the community, providing valuable health insights and raising awareness about preventive care. Many participants expressed interest in regular health camps and follow-up sessions.

Certainly! Here's a professional summary of the health check-up camp incorporating the presence of specialists from Medicine, Ophthalmology, Orthopedics, General Surgery & Pediatrics along with participation details.

Blood Donation Camp

Date: 6th February 2023

Time: 10:00 AM – 1:00 PM

Venue: Urban Health Training Center (UHTC), Mangala Bhavan, Sasaram

Organized by: Department of Community Medicine

Target Group: Local residents, students, and staff members

No. of Participants: 5 MBBS Interns and 3 Postgraduate Students

Overview

A Blood Donation Camp was organized at the Urban Health Training Center, Mangala Bhavan, Sasaram, under the supervision of the Department of Community Medicine. The main objective was to promote voluntary blood donation, encourage awareness about its importance, and ensure safe and adequate blood supply for patients in need.

Resource Persons

Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Tanu Priya	LMO
Medical Officers and Laboratory Technicians from NMCH Blood Bank	

Participants

A total of 5 MBBS interns and 3 postgraduate (PG) students actively participated in organizing and conducting the camp. Around 50 donors, including local residents and students, voluntarily donated blood. The PG students ensured proper medical screening and donor fitness evaluation, while interns assisted in registration, counseling, and post-donation care.

Key Topics Covered

- Registration and health screening of donors
- Counseling sessions on the benefits of regular blood donation
- Blood collection and post-donation observation
- Distribution of refreshments and appreciation certificates

Community Engagement and Impact

The event strengthened public awareness about voluntary blood donation. Created a sense of social responsibility among students and the community. Helped maintain an adequate supply of safe blood for hospital use.

Student Involvement and Learning Outcome

Interns and PG students gained practical experience in organizing blood donation drives. Developed communication and counseling skills. Understood pre- and post-donation protocols, ensuring donor safety.

Conclusion

The Blood Donation Camp was a successful initiative that encouraged community participation, supported hospital blood supply, and provided valuable experiential learning for both interns and PG students.

Date: 05th February 2023

Venue: Urban Health Centre, Mangla Bhawan, Sasaram.

Organized by: Blood Centre of Narayan Medical College and Hospital with collaboration of Rudra Foundation NGO

Overview of the Event

A “Voluntary Blood Donation Camp – Raktdan Mahadan” was successfully organized on 05th February 2023 by **Rudra Foundation NGO** at Urban Health Centre, Mangla Bhawan, Sasaram. . The primary aim of the camp was to encourage voluntary blood donation and spread awareness about its life-saving importance in society. The camp began with an inaugural ceremony, attended by Dr. Rekha Rani, local dignitaries, volunteers of the Rudra Foundation NGO. The organizers emphasized that blood donation is one of the greatest humanitarian acts, symbolizing unity, kindness, and the spirit of giving.

Special appreciation and thanks was extended to the local social workers of the region who played a crucial role in mobilizing donors and ensuring the active participation of the public.

The venue was well-arranged with proper medical facilities, refreshments, and safety measures, ensuring a comfortable and hygienic experience for all participants. The positive energy and cooperation among organizers, volunteers, and donors reflected the success of the event’s motto — “Raktdan Mahadan”.

2. Resource Persons

A skilled team of doctors, nurses, and the staff of the Blood Centre of Narayan Medical College and Hospital, Rohtas and volunteers from Rudra Foundation NGO supervised the camp. The group of students from Narayan Medical College and Hospital also participated in the camp which included 5 interns of M.B.B.S and 3 P.G students from the Department of Pathology. Each donor underwent a pre-donation medical screening, which included health check-ups for hemoglobin levels, blood pressure, and overall fitness to ensure donor safety.

The resource team also conducted a brief awareness session, explaining the long-term benefits of blood donation and addressing myths or fears commonly associated with it. Their professionalism and dedication ensured the event ran smoothly and safely.

Summary of “Voluntary Blood Donation Camp – Raktdan Mahadan”

3. Impact of the Camp

The “Voluntary Blood Donation Camp – Raktdan Mahadan ” witnessed enthusiastic participation from the local community. A total of 15 units of blood were collected during the camp. The collected blood was handed over to the Blood Centre of Narayan Medical College and Hospital, to be used for emergency patients, accident victims, and those suffering from critical diseases requiring blood transfusion.

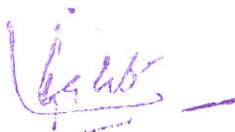

All the interns and P.G students get to understand the protocol of the Blood Donation Camp and criteria of donor like; age, weight and other medical conditions and fitness and safety of blood donors and donated or collected blood.

4. Conclusion

The “Voluntary Blood Donation Camp – Raktdan Mahadan ”, organized by Rudra Foundation NGO at Urban Health Centre, Mangla Bhawan, Sasaram. , was a resounding success. The camp demonstrated that through collective effort and goodwill, lives can be saved and communities strengthened.

Rudra Foundation NGO extended heartfelt gratitude to the local social workers, medical staff, donors, and volunteers who contributed to the success of this noble initiative. Their commitment and unity turned the camp into a true celebration of humanity and service.

The event concluded with a vote of thanks and a collective pledge to continue supporting the cause of voluntary blood donation in the future — keeping alive the spirit of “Raktdan Mahadan”.

Summary of “Voluntary Blood Donation Camp – Raktdan Mahadan”

Date: 14th February 2023

Venue: **Sigrival Public School, Nabinagar, Aurangabad**

Organized by: **Path Pradarshak NGO with the collaboration of Narayan Medical College and Hospital's Blood Center.**

1. Overview of the Event

A Blood Donation Camp was organized on 14th February 2023 by Path Pradarshak NGO at Sigrival Public School, Nabinagar, Aurangabad, Bihar. The primary objective of the camp was to spread awareness about the importance of voluntary blood donation and to encourage students to participate in humanitarian causes. The college premises were well-prepared with necessary arrangements including medical equipment, beds, refreshments, and first-aid facilities.

The event was inaugurated by the Principal of the Government Engineering College, Doctor of Blood Center Narayan Medical College Dr. Sanjeev Ranjan and President of NGO Mr. Bamendra Kumar Singh along with the other officials of the Engineering College, who appreciated the noble initiative of **Path Pradarshak NGO**. The inauguration ceremony was followed by a motivational speech highlighting the life-saving significance of donating blood.

2. Resource Persons

A team of qualified doctors, nurses, Blood Center staffs of the Narayan Medical College and hospital along with 5 interns of M.B.B.S and 3 P.G students from the Department of Pathology of Narayan Medical College and Hospital with volunteers from the Path Pradarshak NGO facilitated the camp. They ensured all safety measures were followed during the process.

Before donating, each participant underwent a pre-donation health check-up, including hemoglobin testing, blood pressure measurement, and medical consultation.

The medical team also provided valuable information to students about the benefits of blood donation at the interval of every 3 months and cleared common misconceptions regarding the process.

Summary of “Voluntary Blood Donation Camp – Raktdan Mahadan”

3. Impact

The camp witnessed active participation from both students and faculty members. A total of 14 units of blood were collected during the event. The donated blood will be used to support patients in need, including accident victims, surgery patients, and those suffering from critical illnesses and the other medical conditions in which blood units are required.

The initiative successfully instilled a sense of social responsibility, compassion, and community service among the participants and the locals. Many first-time donors expressed their willingness to donate again in future camps, reflecting the positive impact of the event.

All the interns, U.G and P.G students get to understand the protocol of the Blood Donation Camp and criteria of donor like; age, weight and other medical conditions and fitness and safety of blood donors and donated or collected blood.

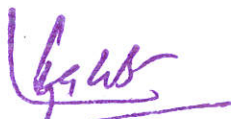

4. Conclusion

The Blood Donation Camp organized by Path Pradarshak NGO at Sigrival Public School, Nabinagar, Aurangabad, was a great success. It not only contributed to saving lives but also inspired students and locals to understand the importance of humanitarian service.

All the collected Blood units transferred and stored at Blood Center of Narayan Medical College and Hospital.

The donors were provided with refreshments and certificates of appreciation and medals after donating blood.

The college administration extended heartfelt gratitude to Path Pradarshak NGO, the medical professionals, and all volunteers for their invaluable contribution and support. The event concluded with a vote of thanks and a promise to continue organizing such welfare activities in the future.

Report: World Optometry Day

Date of Programme: 23 March 2023

Gopal Narayan Singh University

Jamuhar, Sasaram, Rohtas (Bihar)

Narayan Paramedical Institute and Allied Sciences (NPIAS)

Overview

Narayan Paramedical Institute and Allied Sciences celebrated World Optometry Day through a special programme focusing on the academic and professional aspects of optometry. The event aimed to promote awareness about the role of optometry in healthcare and enhance student engagement with current developments in the field.

Invited Speakers

- Debapriya Mukhopadhyay
- Pratiksha Gupta
- Jayant Jha

Organiser and Venue

- Organiser: Narayan Paramedical Institute and Allied Sciences (NPIAS)
- Venue: MBBS LT

Active Participants

- Students of Bachelor of Optometry, NPIAS
- All faculty members of NPIAS

Key Activities

- Academic and professional talks by invited speakers.
- Interactive discussions on recent trends and best practices in optometry education.
- Awareness sessions promoting the importance of optometric services in community health.

Impact

The programme provided participants with expert insights and practical guidance for their future careers in optometry. The interaction with industry experts and faculty members encouraged deeper student involvement and fostered professional growth.

Coordinator
IQAC (NAAC)
Gopal Narayan Singh University
Jamuhar, Sasaram, Rohtas (Bihar)

Conclusion

World Optometry Day was marked by enthusiastic participation from students and faculty, reinforcing NPIAS's commitment to excellence in optometry education and practice.

- Gaps in reach (distance, awareness)
- Need for more hands-on, low-cost / low-resource-intensive solutions

Technologies/practices of interest:

- Crop or seed varieties
- Soil health management
- Water conservation/irrigation techniques
- Integrated pest management

Recommendations

- Schedule regular extension & demonstration visits
- Establish a pilot programme to test new varieties in local conditions
- Strengthen linkages: GNSU ↔ ATMA ↔ Farmers for feedback loops
- Provide subsidised inputs / training programmes tailored to small farm size
- Use participatory methods so farmers are partners, not just recipients

Report: Workshop of Bachelor of Optometry

Topic: Dispensing Skills

Date of Programme: 22/03/2023 (Wednesday) and 23/03/2023(Thursday)

Timing: 10 AM – 4 PM

Venue: LT – 3

Resource Person: Sourced from Lenskart.com

Mode: Offline

Coordinator: Department of Optometry

Aim: The aim of the workshop was to emphasize the importance of optometry in healthcare and to create community awareness regarding eye care among people.

Participants: Faculties and students of NPIAS, GNSU, Jamuhar

The following topics were discussed in the workshop:

1. Future prospects of optometry in India.
2. Current trends of optometry in Bihar and its role in creating community awareness in eye care.
3. What should be the mindset of an optometry student.
4. Role of eye department of the GNSU Hospital as a sight saviour.
5. Development of technical and interpersonal skills regarding optometry among specialist and students of optometry.
6. Future projection of the Optometry Department.
7. Roles and responsibilities of an optometrist in giving better treatment to patients.

Conclusion: The key to success in optometric practice today is balancing medical eye care and optical dispensing. Optometrists are in a unique position to provide both vital vision care services seamlessly, which, in turn, can result in extremely high levels of patient satisfaction and loyalty. The conclusion of dispensing skills in optometry is that they are an integral part of comprehensive patient care, going beyond merely fulfilling a prescription to ensuring patient satisfaction, treatment adherence, and positive visual outcomes. The practice is a combination of art and science, requiring technical precision, interpersonal communication, and business acumen to be effective.

Report on World AIDS Day 2023

The world AIDS Day 2023, was observed on 1st December 2023 by the department of Community Health Nursing, Narayan Nursing college in the Chanda Bigha Village and the Akodigola CHC by the Fifth semester B.Sc Nursing 106 Students.

After reaching the Chanda Bigha Village, the students started the awareness Rally which was inaugurated by Prof. Dr. Lisy Joseph, HOD, Department of Nursing Research. The Rally covered the whole village of Chanda Bigh approximately 1.5 kilometers creating awareness to almost 1500 villagers. The students enhanced their awareness rally with shouting out slogans and distributing AIDS awareness pamphlets.

After completing the Awareness Rally the students collected approximately 150 villagers Infront of the Anganwadi, Chanda Bigha Village, and a group of 25 students performed 15 minutes awareness Nukkad Natak on HIV/AIDS awareness. The nuked Natak was Summarized and an open discussion with the villagers was done by Mr. Mohammed Rafi, HOD In-Charge, Department of Community Health nursing, NNC, after which Biscuits was distributed to the viewers of the nuked Natak.

The students then moved to Akodigola Community Health Centre Where they concluded the rally and performed the Nukkad Natak again in the CHC, in the presence of Dr. Jaya Kumar Prasad, Medical Officer In-Charge, Dr. Babita Kumari, Medical Officer and Mr. Mohammed Mustakim, Block Health Manager. The Nukkad Natak got completed after which Prof. Dr. Lisy Joseph, HOD, Department of Nursing Research, NNC felicitated Dr. Babita Kumari, Medical Officer. Mr. Mohammed Rafi, HOD In-Charge, Department of Community Health nursing, NNC, Ms. Sarita KH, HOD In-Charge, Dept of Child Health Nursing, Mr. Mohammed Umar, M.Sc Nursing Tutor and Mr. Dipu, II year M.Sc. Nursing Student along with B.SC Nursing Fifth Semester Student were present.

REPORT ON MASS COOKING DEMONSTRATION

We the Community Health Nursing Department, Narayan Nursing College, Gopal Narayan Singh University have conducted a mass cooking demonstration in the Ghamariya Village, AkodiGola as a part of the requirement for the first year GNM students on 20 July 2023. With the Blessings of Prof. Dr. Latha K. Dean cum Principal, Prof. Dr. Shaveta Sharma, Vice Principal, Prof. Dr. Lisy Joseph, HOD dept of Nursing Research, the programme was planned on 20th July 2023, Thursday from 10am to 4 pm. 100 students of GNM 18 year executed the mass cooking demonstration under the supervision of Mr. Mohammed Rafi, Asst. Prof. Dept of CoHN, Mr. Mohammed Umar, M.Sc. Nursing. Tutor, Ms. Shweta Kumari, M.Sc. Nursing Tutor, Mr. Dipu Kumar, M.Sc. Nursing, 15 year Student. Dept of Community Health Nursing. The community training in the village of the GNM 15 year was given for three weeks from 15 July and when the students performed basic under five assessments, they found the out of 200 children assessed 82(41%) were mild-moderately malnourished. This made the students to plan a mass cooking demonstration with a menu rich in protein and energy content. The menu included sattu puri, mix-veg sabzi and shoji halwa, each platter comprising of 280Kcal of energy and 53gms of protein wherein 250Kcal of energy and 10gms of protein per meal is required as per the recommended dietary allowance for children under 6 years as advised by the India Council of Medical Research (ICMR).

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e., the achievement of holistic development. Sports play a vital role in the student's life. The sports develop discipline, the spirit of sportsmanship and inculcates the qualities of team spirit and leadership among the students. Faculty of Information Technology, Gopal Narayan Singh University, participates national sports day 2023 from 28th and 29th August 2023 organized by National Service Scheme and National Cadet Corps, Gopal Narayan Singh University. The sporting calendar this year is once again full with a wide range of sporting opportunities available to our students and staff. The event inaugurated by the chief guest honourable chancellor Gopal Narayan Singh University, Shri Gopal Narayan Singh.

It is one of the largest co-curricular activities that offer an extensive opportunity to all the students and staff of university. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them. Student nurses' association unit of college of nursing strives to excel at all levels and bring laurels to the college. Under guidance of Dr. Mayank Kumar Rai, NSS and NCC In charge, Gopal Narayan Singh university.

Faculty of Information Technology participated in Volleyball, Kabaddi and Badminton events.

NSS team Faculty of Information Technology won in Kabaddi event.

Report of Human Rights Day Celebration

Narayan School of Law, Gopal Narayan Singh University, Janmuhar, Sasaram, Bihar organized a dynamic and multifaceted celebration in honor of Human Rights Day on 9th December, 2023, coupled with Speech Competition, Essay Competition and Painting Competition to engage the artistic talents of students. The event aimed to commemorate Human Rights Day, promote awareness, and provide a platform for expression and reflection on human rights issues.

The celebration commenced with an inaugural address by Prof. (Dr.) Rakesh Verma, Director, Narayan School of Law, who highlighted the significance of Human Rights Day and emphasized the pivotal role of legal education in advancing human rights causes. Their speech set a reflective tone for the event, inspiring students to actively engage in the activities planned for the day.

Students played a central role in the celebration through various activities such as Speech Competitions, Essay Competitions and Painting Competition highlighting human rights themes. These initiatives provided students with opportunities to showcase their creativity and critical thinking skills while deepening their understanding of human rights principles and their practical application.

The winners of the painting competition were announced during the closing ceremony of the Human Rights Day celebration, receiving recognition for their outstanding contributions.

NOTICE

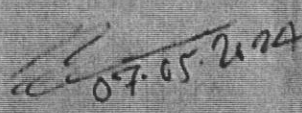

It gives us immense pleasure to announce "Essay Competition" on the occasion of "Anti-Terrorism Day" on 21st May, 2024 (Tuesday). We continuously encourage our students to participate in such extra-curricular activities and provide different platforms to our students so that they may pen down their creative ideas and opportunity to develop a feeling of socially responsible citizen of India.

Rules for essay writing competition are as follows:

1. Date & Time: 21.05.2024 from 10:30 A.M. to 11:30 A.M.
2. The submission shall be in English or Hindi language and should be hand written.
3. Maximum word limit for the essay is 2500 words.
4. The venue of competition would be LT-2, Narayan School of Law, ground floor.
5. 1st three winners will be awarded with suitable prizes.
6. The participation certificate will be given to all the participants.
7. The decision of the Judges shall be final and binding on all the participants.
8. Any submission that is found to be copied or written through malpractices will be considered as disqualification of the participant concerned.
9. The topic of essay would be related to Terrorism in general and specific topic would be released 3 hours before the competition.

Note : The participants can enroll their name with the co-ordinators of the programme Dr. Narmada Singh and Dr. Sanjai Kumar Singh upto 20th May, 2024.

Date : 07/05/2024

It gives us immense pleasure to announce "Essay Competition" on the occasion of "Anti-Terrorism Day" on 21st May, 2024 (Tuesday). We continuously encourage our students to participate in such extra-curricular activities and provide different platforms to our students so that they may put in their creative ideas and opportunity to develop a feeling of socially responsible citizen of India.

Rules for essay writing competition are as follows:

1. Date & Time: 21.05.2024 from 10:30 A.M. to 11:30 A.M.
2. The submission shall be in English or Hindi language and should be hand written.
3. The word limit for the essay is 2500 words.
4. The venue of competition would be LT-2, Narayn School of Law, ground floor.
5. 1st three winners will be awarded with suitable prizes.
6. The participation certificate will be given to all the participants.
7. The decision of the Judges shall be final and binding on all the participants.
8. Any submission found to be copied or written through malpractices will be considered as disqualification of the participant concerned.
9. The topic of essay would be related to Terrorism in general and specific topic would be released 3 hours before the competition.

Note : The participants can enroll their name with the co-ordinators of the programme Dr. Narmada Singh and Dr. Sanjai Kumar Singh upto 20th May, 2024.

Report on Legal Awareness Campaign

Organised by: Narayan School of Law

Date: 16th February 2024

Venue: Tilouthu, Rohtas, Bihar

The Narayan School of Law successfully organised a Legal Awareness Campaign on 16th February 2024 at Tilouthu, Rohtas District. The event aimed to educate local residents about their legal rights, duties, and various government welfare schemes related to justice and social welfare.

A total of 34 students and 5 faculty members actively participated in the campaign. The team was led and guided by Mr. Subodh Kr. Singh, whose mentorship played a vital role in planning and executing the program effectively.

During the campaign, the students interacted with villagers, distributed informative pamphlets, and conducted short sessions on issues such as legal aid, women's rights, child protection laws, and the right to information. The local community responded with great enthusiasm and actively participated in discussions.

The event not only enhanced the practical learning of the students but also strengthened their sense of social responsibility as future legal professionals. Overall, the campaign was a resounding success and contributed meaningfully to promoting legal literacy in the rural community.
