

## World Iodine Deficiency Day

Date: 21st October 2024

Time: 10:00 AM – 1:00 PM

Venue: Anganwadi-ANC & Gynae OPD

Organized by: Department of Community Medicine

Target Group: Public and staff at Anganwadi-ANC & Gynae OPD

No. of Students Involved: All MBBS Interns

### Overview

World Iodine Deficiency Day was observed to create awareness about iodine deficiency, its effects, and preventive measures. Educational workshops and poster presentations were conducted.

### Resource Persons

Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Tanu Priya	LMO

### Participants

All interns actively conducted the program. Around 70–80 participants attended, including local residents and staff. Interactive sessions and poster demonstrations helped educate participants about iodine deficiency and preventive practices.

### Key Topics Covered

- Poster presentations and awareness sessions.
- Educational workshops on iodine deficiency prevention.
- Interactive discussions with participants.

### Community Engagement and Impact

Increased awareness of iodine deficiency and its health effects. Encouraged adoption of iodized salt and dietary interventions.

### Student Involvement and Learning Outcome

Developed skills in nutritional health education and community engagement. Learned to interact effectively with diverse populations.

### Conclusion

The program successfully enhanced community awareness about iodine deficiency and provided experiential learning for interns.

## World Immunization Day

Date: 11th November 2024

Time: 10:00 AM – 1:00 PM

Venue: UHTC, RHTC & Campus

Organized by: Department of Community Medicine

Target Group: Public and staff

No. of Students Involved: 15 MBBS Interns

### Overview

World Immunization Day was observed to raise awareness about vaccination importance and adherence to the National Immunization Schedule (NIS). Poster presentations, interactive sessions, and educational activities were conducted.

### Resource Persons

Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Tanu Priya	LMO

### Participants

All interns actively organized and conducted the program. Community members and staff participated in discussions, poster sessions, and interactive activities related to immunization and preventive healthcare.

### Key Topics Covered

- Poster presentations on immunization and vaccine-preventable diseases.
- Interactive counseling sessions with participants.
- Awareness about NIS schedule and vaccination benefits.

### Community Engagement and Impact

Increased community knowledge and adherence to vaccination schedules. Encouraged preventive healthcare practices.

### Student Involvement and Learning Outcome

Developed skills in community health education and communication. Gained experience in organizing awareness programs for diverse populations.

### Conclusion

The program successfully enhanced awareness about immunization and provided practical learning for MBBS interns.

### Participants

All interns actively conducted the program. Around 30–40 community members and staff attended, engaging in discussions about HIV/AIDS, prevention strategies, and available medical support. Interns encouraged questions and interactive learning.

### Key Topics Covered

- Poster and video presentations on HIV/AIDS awareness.
- Interactive Q&A sessions addressing myths and preventive measures.
- Awareness counseling on safe practices and early testing.

### Community Engagement and Impact

Improved understanding of HIV/AIDS among attendees. Reduced stigma and misconceptions about the disease. Encouraged voluntary testing and adoption of preventive practices.

### Student Involvement and Learning Outcome

Gained experience in community health education on sensitive topics. Developed skills in counseling and interactive awareness sessions.

### Conclusion

The World AIDS Day program successfully enhanced community knowledge about HIV/AIDS, promoted safe practices, and provided practical learning for MBBS interns.

## World Diabetes Day

Date: 14th November 2024

Time: 10:00 AM – 1:00 PM

Venue: NMCH, UHTC & RHTC

Organized by: Department of Community Medicine

Target Group: Public and staff at RHTC/UHTC

No. of Students Involved: All MBBS Interns

### Overview

World Diabetes Day was observed to raise awareness about diabetes prevention, early detection, and lifestyle management. Educational sessions included poster presentations, videos, and interactive discussions with the public about risk factors and preventive strategies. A blood sugar check-up camp was conducted to provide hands-on screening for participants.

### Resource Persons

Prof. (Dr.) Nipendra Anand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Tanu Priya	LMO

### Participants

All interns actively organized and conducted the program. Around 30–40 community members and staff attended at RHTC Akorhigola and Smart Point Akorhigola. Participants showed keen interest in understanding lifestyle modifications, risk factors, and diabetes management. The blood sugar check-up camp provided free Random Blood Sugar (RBS) screening for attendees, especially adults above 30 years of age, and encouraged proactive health monitoring.

### Key Topics Covered

- Poster and video presentations on diabetes awareness.
- Awareness sessions on risk factors, lifestyle modification, and preventive measures.
- Free blood sugar check-up camps at RHTC Akorhigola and UHTC Sasaram.
- Interactive Q&A sessions addressing participant queries and concerns.

### Community Engagement and Impact

Increased awareness of diabetes risk factors and preventive strategies. Encouraged community members to monitor blood sugar levels and adopt healthier lifestyles. Strengthened community trust in preventive health services.

### Student Involvement and Learning Outcome

Developed skills in organizing health awareness programs and community screening camps. Learned to communicate lifestyle-related health advice effectively. Gained hands-on experience in conducting screening and health education activities.

### Conclusion

The World Diabetes Day program successfully educated the community on diabetes awareness, preventive measures, and lifestyle management, while providing invaluable experiential learning for MBBS intern.

## National Pollution Prevention Day

Date: 2nd December 2024

Time: 10:00 AM – 1:00 PM

Venue: UHTC

Organized by: Department of Community Medicine

Target Group: Public and staff at UHTC

No. of Students Involved: All MBBS Interns

### Overview

National Pollution Prevention Day was observed to create awareness about environmental pollution, its health effects, and preventive measures. Participants were educated on maintaining a clean environment and adopting eco-friendly practices.

### Resource Persons

Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Tanu Priya	LMO

### Participants

All interns actively organized the program. Around 30–40 community members and staff attended, participating in discussions on pollution sources, preventive measures, and sustainable practices. Interns guided participants on personal and community-level initiatives to reduce pollution.

### Key Topics Covered

- Poster and video presentations on pollution awareness and prevention.
- Interactive sessions highlighting health impacts of pollution.
- Discussion on practical steps to reduce air, water, and soil pollution

### Community Engagement and Impact

Increased awareness about pollution and its health consequences. Promoted community participation in pollution prevention activities. Encouraged adoption of eco-friendly practices.

### Student Involvement and Learning Outcome

Developed skills in environmental health education and community engagement. Learned to communicate preventive strategies effectively to the public.

### Conclusion

The program successfully raised awareness about pollution prevention and provided experiential learning for MBBS interns.

## Free Health Camp

Date: 20th February 2024

Venue: GayatriMandir, Sasaram

Organized by: Department of Community Medicine

Target Group: Local residents and underprivileged families

No. of Students Involved: 15 (MBBS Interns, Batch 2018–19)

### Overview

A Free Health Camp was organized by the Department of Community Medicine at GayatriMandir, Sasaram, as part of community outreach and service-learning initiatives. The camp aimed to provide basic health check-ups, consultations, and health awareness to the general population, with a focus on preventive and promotive healthcare.

### Resource Persons

Prof. (Dr.) NipendraAnand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. SwetaSuman	Assistant Professor
Dr. JyotiKumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Shubham Kumar	MO

### Participants

Fifteen medical interns participated in organizing and conducting the camp. Around 200 community members availed of services like blood pressure measurement, anemia screening, random blood sugar testing, and free medicine distribution.

### Key Topics Covered

- Screening for hypertension, anemia, and diabetes
- Nutrition and lifestyle modification counseling
- Awareness on sanitation, hygiene, and preventive medicine
- Importance of regular medical check-ups and early diagnosis
- Referral and follow-up system for detected health issues

### Community Engagement and Impact

Over 200 beneficiaries received free medical consultations and health counseling.

Awareness pamphlets and educational leaflets were distributed focusing on hygiene, nutrition, and NCD prevention.

Early identification of hypertension and anemia cases led to timely referral and follow-up at nearby health centers.

The camp strengthened community trust in medical institutions and encouraged health-seeking behavior among rural residents.

### Student Involvement and Learning Outcome

Students gained first-hand exposure to real-world community health scenarios and developed practical clinical and organizational skills.

They learned to interact with people from diverse socio-economic backgrounds, building empathy and understanding of rural health challenges.

### **Key learning outcomes included:**

Enhanced communication and teamwork skills

Ability to identify and manage common health problems

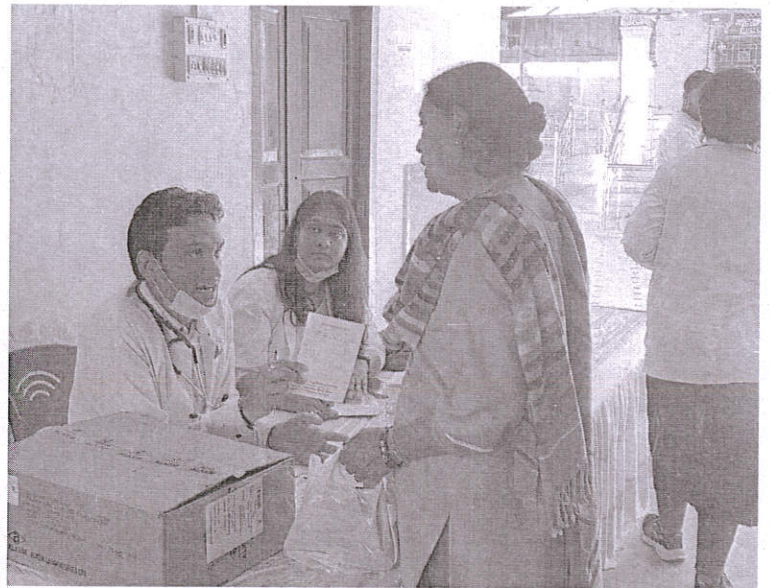

Awareness of preventive and promotive healthcare importance

Sense of civic responsibility and public service motivation

Students also realized their potential to act as health ambassadors and drive community-level change through awareness and service.

### **Conclusion**

The Free Health Camp was a successful initiative that benefited hundreds of individuals and provided invaluable experiential learning for medical students. It promoted preventive healthcare, strengthened community linkages, and supported the institution's commitment to holistic education and social responsibility.

# Report on Blood Donation Camp

Date: 9th February 2024

Venue: **Government Engineering College, Arathua, Rafiganj, Aurangabad, Bihar.**

Organized by: **Path Pradarshak NGO with the collaboration of Narayan Medical College and Hospital's Blood Center.**

## 1. Overview of the Event

A Blood Donation Camp was organized on 9th February 2024 by Path Pradarshak NGO at Government Engineering College, Arathua, Rafiganj, Aurangabad and Bihar. The primary objective of the camp was to spread awareness about the importance of voluntary blood donation and to encourage students to participate in humanitarian causes. The college premises were well-prepared with necessary arrangements including medical equipment, beds, refreshments, and first-aid facilities.

The event was inaugurated by the Principal of the Government Engineering College, Doctor of Blood Center Narayan Medical College Dr. Sanjeev Ranjan and President of NGO Mr. Bamendra Kumar Singh along with the other officials of the Engineering College, who appreciated the noble initiative of **Path Pradarshak NGO**. The inauguration ceremony was followed by a motivational speech highlighting the life-saving significance of donating blood.

## 2. Resource Persons

A team of qualified doctors, nurses, Blood Center staffs of the Narayan Medical College and hospital along with 5 inters of M.B.B.S, 10 U.G students and 3 P.G students from the Department of Pathology of Narayan Medical College and Hospital with volunteers from the Path Pradarshak NGO facilitated the camp. They ensured all safety measures were followed during the process.

Before donating, each participant underwent a pre-donation health check-up, including hemoglobin testing, blood pressure measurement, and medical consultation.

The medical team also provided valuable information to students about the benefits of blood donation at the interval of every 3 months and cleared common misconceptions regarding the process.

# Report on Blood Donation Camp

## 3. Impact

The camp witnessed active participation from both students and faculty members. A total of 20 units of blood were collected during the event. The donated blood will be used to support patients in need, including accident victims, surgery patients, and those suffering from critical illnesses and the other medical conditions in which blood units are required.

The initiative successfully instilled a sense of social responsibility, compassion, and community service among the participants and the locals. Many first-time donors expressed their willingness to donate again in future camps, reflecting the positive impact of the event.

All the interns, U.G and P.G students get to understand the protocol of the Blood Donation Camp and criteria of donor like; age, weight and other medical conditions and fitness and safety of blood donors and donated or collected blood.

## 4. Conclusion

The Blood Donation Camp organized by Path Pradarshak NGO at Government Engineering College, Arathua, Rafiganj, Aurangabad, was a great success. It not only contributed to saving lives but also inspired students and locals to understand the importance of humanitarian service.

All the collected Blood units transferred and stored at Blood Center of Narayan Medical College and Hospital.

The donors were provided with refreshments and certificates of appreciation and medals after donating blood.

The college administration extended heartfelt gratitude to Path Pradarshak NGO, the medical professionals, and all volunteers for their invaluable contribution and support. The event concluded with a vote of thanks and a promise to continue organizing such welfare activities in the future.

# Summary of “Voluntary Blood Donation Camp – Raktdan Mahadan”

Date: 9th April 2024

Venue: Hotel Himalayan, Maharajganj, Hariharganj, Aurangabad, Bihar

Organized by: Blood Centre of Narayan Medical College and Hospital with collaboration of Path Pradarshak NGO.

## 1. Overview of the Event

A “Voluntary Blood Donation Camp – Raktdan Mahadan” was successfully organized on 9th April 2024 by **Path Pradarshak NGO** at Hotel Himalayan, Maharajganj, Hariharganj, Aurangabad, Bihar. The primary aim of the camp was to encourage voluntary blood donation and spread awareness about its life-saving importance in society. The camp began with an inaugural ceremony, attended by Dr. Sanjeev Kumar, local dignitaries and chairman of Path Pradarshak NGO Mr. Bamendra Singh. The organizers emphasized that blood donation is one of the greatest humanitarian acts, symbolizing unity, kindness, and the spirit of giving.

Special appreciation was extended to the local social workers of the region who played a crucial role in mobilizing donors and ensuring the active participation of the public. Their tireless efforts in spreading awareness, managing logistics, and encouraging community involvement were instrumental in making the camp a grand success.

The venue was well-arranged with proper medical facilities, refreshments, and safety measures, ensuring a comfortable and hygienic experience for all participants. The positive energy and cooperation among organizers, volunteers, and donors reflected the success of the event’s motto — “Raktdan Mahadan” (Blood Donation is the Greatest Donation).

## 2. Resource Persons

A skilled team of doctors, nurses, and the staff of the Blood Centre of Narayan Medical College and Hospital, Rohtas and volunteers from Path Pradarshak NGO supervised the camp. The group of students from Narayan Medical College and Hospital also participated in the camp which included 5 interns of M.B.B.S, 10 students of U.G and 3 P.G students from the Department of Pathology. Each donor underwent a pre-donation medical screening, which included health check-ups for hemoglobin levels, blood pressure, and overall fitness to ensure donor safety.

The resource team also conducted a brief awareness session, explaining the long-term benefits of regular blood donation and addressing myths or fears commonly associated with it. Their professionalism and dedication ensured the event ran smoothly and safely.

## **Summary of “Voluntary Blood Donation Camp – Raktdan Mahadan”**

### **3. Impact of the Camp**

The “Voluntary Blood Donation Camp – Raktdan Mahadan” witnessed enthusiastic participation from the local community. A total of 15 units of blood were collected during the camp. The collected blood was handed over to the Blood Centre of Narayan Medical College and Hospital, Jamuhar, Rohstas, Bihar, to be used for emergency patients, accident victims, and those suffering from critical diseases requiring blood transfusion.

All the interns, U.G and P.G students get to understand the protocol of the Blood Donation Camp and criteria of donor like; age, weight and other medical conditions and fitness and safety of blood donors and donated or collected blood.

### **4. Conclusion**

The “Voluntary Blood Donation Camp – Raktdan Mahadan”, organized by Path Pradarshak NGO at Hotel Himalayan, Maharajganj, Hariharganj, Aurangabad, Bihar, was a resounding success. The camp demonstrated that through collective effort and goodwill, lives can be saved and communities strengthened.

Path Pradarshak NGO extended heartfelt gratitude to the local social workers, medical staff, donors, and volunteers who contributed to the success of this noble initiative. Their commitment and unity turned the camp into a true celebration of humanity and service.

The event concluded with a vote of thanks and a collective pledge to continue supporting the cause of voluntary blood donation in the future — keeping alive the spirit of “Raktdan Mahadan”.

# Summary of “Voluntary Blood Donation Camp – Amrit Ki Bund”

Date: 12th March 2024

Day: International Voluntary Blood Donors Day

Venue: Urban Health Centre, Mangla Bhawan, Sasaram, Rohtas, Bihar

Organized by: S.A.B.A.L NGO with collaboration of Blood Centre of Narayan Medical College and Hospital

## 1. Overview of the Event

A “Voluntary Blood Donation Camp – Amrit Ki Bund” was successfully organized on 16th March 2024 by S.A.B.A.L NGO at Mangla Bhawan, Sasaram, Rohtas, Bihar. The primary objective of the camp was to create awareness about the importance of voluntary blood donation and to inspire people to contribute towards saving lives through this noble act of service to humanity.

The camp was inaugurated by Dr. Sanjeev Ranjan, the chief guest Commandant R.P.F Mr. Rawat, along with the chairman of S.A.B.A.L NGO Mr. Saurabh Kumar Upadhyay, secretary Mr. Ravi Shankar Pandey and other representatives of the NGO. In their opening remarks, they highlighted how donating blood is not just an act of kindness but a true symbol of compassion and unity. The event saw enthusiastic participation from students and teachers of various tuition institutes, who came forward voluntarily to donate blood and encourage others. Their involvement reflected a strong sense of social responsibility and youth leadership in humanitarian causes.

The venue was well-equipped with medical setups, resting areas, refreshments, and proper safety arrangements, ensuring a comfortable and hygienic environment for all donors.

## 2. Resource Persons

A skilled team of doctors, nurses, and the staff of the Blood Centre of Narayan Medical College and Hospital, Rohtas and volunteers from S.A.B.A.L NGO supervised the camp. The group of students from Narayan Medical College and Hospital also participated in the camp which included 5 interns of M.B.B.S and 3 students from the Department of Pathology.

## Summary of “Voluntary Blood Donation Camp – Amrit Ki Bund”

### 3. Impact of the Camp

The “Voluntary Blood Donation Camp – Amrit Ki Bund” received tremendous support from the local community. A total of 67 units of blood were collected during the event. The collected blood was handed over to the Blood Centre of Narayan Medical College and Hospital, Jamuhar Rohtas, Bihar, to be used for patients in need of transfusions, emergency surgeries, and life-saving treatments.

Additionally, the efforts of local social workers played a vital role in mobilizing public participation and spreading awareness about the event. Their active engagement and coordination contributed significantly to the smooth and impactful execution of the camp.

During the event, the resource persons conducted an awareness session explaining the benefits of regular blood donation, both for donors and society. They also addressed common misconceptions and motivated attendees to make blood donation a regular habit for the betterment of humanity.

All the interns, U.G and P.G students get to understand the protocol of the Blood Donation Camp and criteria of donor like; age, weight and other medical conditions and fitness and safety of blood donors and donated or collected blood.

### 4. Conclusion

The “Voluntary Blood Donation Camp – Amrit Ki Bund”, organized by S.A.B.A.L NGO at Urban Health Centre, Mangla Bhawan, Sasaram, Rohtas, Bihar, was a resounding success. The event proved that even a small contribution like donating blood can bring immense hope and life to those in needs.

The donors were provided with refreshments and certificates of appreciation and medals (**Raktveer Samman**) after donating blood.

## World No Tobacco Day

Date: 31st May 2024

Time: 10:00 AM – 1:00 PM

Venue: NMCH, Jamuhar

Organized by: Department of Community Medicine

Target Group: Students of BMLS, BMRIT CMD & MBBS Interns (2019–20)

No. of Students Involved: All MBBS Interns

### Overview

World No Tobacco Day was observed at NMCH to raise awareness about the harmful effects of tobacco and promote a tobacco-free lifestyle. The program included interactive activities such as poster and slogan competitions, walk-a-thon, and pledge campaigns to actively engage students and interns.

### Resource Persons

Prof. (Dr.) Nipendra Anand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Shubham Kumar	MO
Dr. Sambhu Prasad	Anatomy
Dr. Ashwini Kumar	Microbiology
Dr. Vivek Sinha	Biochemistry

### Participants

All MBBS interns and students from BMLS and BMRIT CMD actively participated in organizing and conducting the event. Around 60–70 participants engaged in the poster and slogan competition, took part in the walk-a-thon, and joined the pledge campaign. Interns encouraged participants to ask questions and discuss the health risks of tobacco, ensuring active involvement and learning.

### Key Activities Conducted

- Poster and slogan competitions to raise awareness on tobacco hazards.
- Walk-a-thon organized by MBBS interns to promote a tobacco-free lifestyle.
- Pledge campaign encouraging participants to commit to quitting or avoiding tobacco use.
- Certificates awarded to winners of competitions to encourage participation.

### Community Engagement and Impact

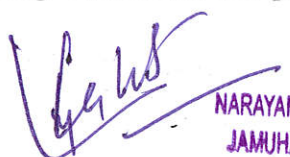

Increased awareness about the harmful effects of tobacco among students and interns. Promoted healthy lifestyle choices and tobacco-free behavior. Engaged participants actively in advocacy through competitions and campaigns. Reinforced the role of youth and interns as health educators and role models in the community.

### Student Involvement and Learning Outcome

Developed skills in organizing awareness programs and community engagement. Learned to communicate health messages effectively through creative activities. Gained experience in motivating peers and community members toward positive health behavior.

### Conclusion

The World No Tobacco Day program at NMCH was successfully conducted, promoting tobacco-free behavior, enhancing awareness, and providing valuable experiential learning for MBBS interns and other students.

# चिकित्सकों ने विश्व तंबाकू निषेध दिवस पर स्कूली छात्रों को किया जागरूक

सासाराम/सं। नारायण मेडिकल कॉलेज एवं अस्पताल, जमुहार के कम्युनिटी मेडिसिन विभाग द्वारा रोहतास जिले के उत्कर्मित गोवर्धनपुर उच्च विद्यालय में विश्व तंबाकू निषेध दिवस के अवसर पर कार्यक्रम आयोजित कर उन्हें जागरूक किया गया। इस वर्ष के थीम "अपील का पदार्पण : तंबाकू और निकोटिन उत्पादों पर उद्योगों की रणनीति को उजागर करना" विषय पर विभिन्न कार्यक्रम आयोजित कर छात्रों को जानकारी प्रदान की गई। इस दौरान पोस्टर प्रस्तुतीकरण, क्विज प्रतियोगिता एवं व्याख्यान के माध्यम से विद्यालय में पढ़ने वाले युवा छात्र-छात्राओं को विशेष रूप से बताया गया कि तंबाकू और निकोटिन उद्योगों द्वारा अपने

हानिकारक उत्पादों को विशेष रूप से युवाओं को आकर्षित करने के लिए जो रणनीति बनाई गई है उस पर सावधान रहें। शनिवार प्रातः 10:00 बजे से दोपहर 2:00 बजे तक कक्षा 9 एवं 10 के लगभग 150 छात्र छात्राओं ने तंबाकू के खतरों को उजागर करने और उद्योग की भ्रामक रणनीतियों को सामने लाने के उद्देश्य से एक प्रभावशाली जागरूकता कार्यक्रम में भाग लिया। इस कार्यक्रम में विद्यालय के शिक्षकों एवं नारायण मेडिकल कॉलेज के सामुदायिक चिकित्सा विभाग का सहयोग रहा। कार्यक्रम का नेतृत्व कम्युनिटी मेडिसिन के विभाग अध्यक्ष प्रोफेसर डॉक्टर नीपेंद्र आनंद ने किया। इस कार्यक्रम में विभाग के अन्य चिकित्सक डॉ. राहुल चंद्रा, डॉक्टर

श्वेता सुमन, डॉक्टर भारत और डॉक्टर एन के जोशी उपस्थित रहे। इस कार्यक्रम का उद्देश्य बच्चों एवं विद्यार्थियों को तंबाकू से होने वाले बीमारियों जैसे कैंसर, टीबी एवं अन्य फेफड़ों की बीमारियों का प्रति जागरूक करना था। इस कार्यक्रम का आयोजन एमबीबीएस इंटरन बैच 2020-21 द्वारा किया गया। छात्रों ने पोस्टर प्रतियोगिता, नारा लेखन प्रतियोगिता, नुक्कड़ नाटक आदि की मदद से तंबाकू से होने वाली समस्याओं पर प्रकाश डाला। नुक्कड़ नाटक में तंबाकू के नकारात्मक प्रभाव को दर्शाया गया जिसमें इस बात पर जोर दिया गया कि व्यक्ति को लत लगने की और कैसे आकर्षित किया जाता है।

## World Menstrual Hygiene Day

Date: 28th May 2024

Time: 10:00 AM – 1:00 PM

Venue: GNSU, Agriculture College

Organized by: Department of Community Medicine

Target Group: Students of Agriculture College

No. of Students Involved: 15-18 MBBS Interns

### Overview

World Menstrual Hygiene Day was observed at GNSU, Agriculture College to raise awareness about menstrual hygiene management, its importance, and associated health risks. The program aimed to educate students through interactive sessions, PPT presentations, and pre- and post-session questionnaires to evaluate knowledge gain.

### Resource Persons

Prof. (Dr.) Nipendra Anand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Shubham Kumar	MO

### Participants

All interns actively organized and conducted the program. Around 60–70 students of the Agriculture College attended the session and actively participated in discussions. Pre- and post-session questionnaires were filled to assess their understanding of menstrual hygiene practices. Interns explained the importance of proper menstrual hygiene, risks associated with poor hygiene, and practical guidance on safe blood management. Students were encouraged to ask questions and share experiences, allowing for interactive learning.

### Key Activities Conducted

- PPT presentation on menstrual hygiene and associated health risks.
- Interactive discussion on proper menstrual hygiene practices and safe ways to manage menstrual blood.
- Pre- and post-session Q&A questionnaires to assess knowledge gain.

### Community Engagement and Impact

Improved awareness among students about menstrual hygiene and health risks of poor practices. Encouraged adoption of safe and hygienic menstrual practices. Promoted open discussion and reduced stigma associated with menstruation.

### Student Involvement and Learning Outcome

Interns gained experience in organizing health awareness sessions for adolescent and young adult populations. Developed skills in interactive teaching, counseling, and communication. Learned to address sensitive health topics effectively and promote preventive health behavior.

### Conclusion

The World Menstrual Hygiene Day program at GNSU successfully enhanced students' understanding of menstrual hygiene, encouraged safe practices, and provided valuable experiential learning for MBBS interns in community health education.

## World Hypertension Day

Date: 17th May 2024

Time: 10:00 AM – 5:00 PM

Venue: NMCH, Jamuhar

UHTC, Sasaram

RHTC, Akorhigola

Organized by: Department of Community Medicine

Target Group: Attendants, hospital staff, and local community

No. of Students Involved: 15 MBBS Interns

### Overview

World Hypertension Day was observed across NMCH, Jamuhar UHTC, Sasaram and RHTC, Akorhigola to raise awareness about hypertension, its risk factors, prevention, and management. Activities included skits, screening camps, counseling, and lifestyle modification education.

### Resource Persons

Prof. (Dr.) Nipendra Anand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Shubham Kumar	MO

### Participants

All interns actively conducted the activities. Hospital staff, attendants, and local community members attended the skits and screening camps. Around 100-150 participants were engaged through demonstrations, counseling, and Q&A sessions. Interns identified hypertensive individuals, provided advice on diet, lifestyle, and preventive measures, and answered participants' queries effectively.

### Key Activities Conducted

- Skit performance highlighting hypertension causes, prevention, and management.
- Blood pressure screening camps.
- Individual counseling for hypertensive participants.
- Interactive sessions on diet, exercise, and lifestyle modifications.

### Community Engagement and Impact

Raised awareness about hypertension prevention and management. Early detection of hypertensive cases allowed timely intervention. Encouraged adoption of healthy lifestyle practices. Student Involvement and Learning Outcome, Developed skills in community health education, screening, and counseling. Learned to interact with diverse populations and address health concerns. Gained hands-on experience in preventive healthcare promotion.

### Student Involvement and Learning Outcome

Developed skills in community health education, screening, and counseling. Learned to interact with diverse populations and address health concerns. Gained hands-on experience in preventive healthcare promotion.

### Conclusion

World Hypertension Day successfully enhanced community awareness, promoted preventive measures, and provided valuable experiential learning for interns.

## World Thalassemia Day

Date: 9th May 2024

Time: 10:00 AM – 1:00 PM

Venue: UHTC, Sasaram

Organized by: Department of Community Medicine

Target Group: Local public and staff at UHTC

No. of Students Involved: MBBS Interns (Batch 2019–20)

### Overview

World Thalassemia Day was observed at UHTC to raise awareness about thalassemia, its causes, prevention, and importance of early detection. The program aimed to educate the local public using interactive sessions, flex presentations, and discussions, thereby promoting knowledge about genetic blood disorders and preventive healthcare.

### Resource Persons

Dr. SwetaSuman	Assistant Professor
Dr. Vishakha	MO
Dr. Dhiraj Kumar	MO

### Participants

All MBBS interns of the 2019–20 batch actively participated in organizing and conducting the event. Around 40–50 local community members attended, including men, women, and young adults from nearby areas. The interns engaged directly with participants, explaining in detail what thalassemia is, its genetic causes, symptoms, preventive measures, and the importance of early screening.

### Key Activities Conducted

- Flex presentation on thalassemia for local community members.
- Awareness discussion on causes, symptoms, and preventive measures of thalassemia.
- Biscuit distribution to engage children and families.
- Q&A sessions to clarify participants' doubts and concerns.

### Community Engagement and Impact

Participants gained awareness about genetic blood disorders and preventive measures. Encouraged families to consider screening and adopt preventive practices. Strengthened community trust in healthcare education and local health services. Biscuit distribution was also conducted as part of interactive engagement with children and families. Participants were encouraged to ask questions, clarify doubts, and share personal experiences related to hereditary blood disorders. This direct interaction allowed interns to provide personalized counseling, making the session highly effective and impactful. Promoted health-seeking behavior and understanding of hereditary disorders.

### Student Involvement and Learning Outcome

Interns developed skills in public health education, community engagement, and counseling. Learned to communicate complex health concepts in simple, understandable language. Gained practical experience in organizing awareness programs and interacting with diverse community groups. Recognized their role as health educators and promoters of preventive healthcare in the community.

### Conclusion

The World Thalassemia Day program at UHTC was successfully conducted, benefiting the local community through awareness sessions, discussions, and interactive engagement. It reinforced knowledge about thalassemia, promoted preventive healthcare, and provided valuable experiential learning for MBBS interns.

## World Asthma Day

Date: 6th May 2024

Time: 10:00 AM – 1:00 PM

Venue: AWC, Sasaram

Organized by: Department of Community Medicine

Target Group: Children and staff at AWC

No. of Students Involved: 15 MBBS Interns

### Overview

World Asthma Day was observed at AWC, Sasaram to raise awareness about asthma prevention, management, and healthy lifestyle practices. The program aimed to educate children and staff about recognizing asthma symptoms, dietary considerations, and proper care, using interactive methods like posters, animated videos, and discussions.

### Resource Persons

Dr. Navin Kumar	Professor
Dr. Sweta Suman	Assistant Professor
Dr. Vishakha	MO
Dr. Dhiraj Kumar	MO

### Participants

15- 18 MBBS interns actively participated in organizing and conducting the program at AWC, Sasaram. Children and staff members attended the sessions with great interest. Around 50–60 children were directly engaged in interactive activities, including animated video sessions and poster discussions, while staff members actively assisted in the smooth conduct of the program.

### Key Activities Conducted

- Awareness sessions on asthma through posters and animated videos.
- Distribution of biscuits to children as part of engagement activities.
- Discussions on recognizing asthma symptoms, dietary do's and don'ts for asthma patients.
- Children were examined for signs of asthma and screened for early detection.

### Community Engagement and Impact

The children were also personally examined for asthma symptoms, and interns explained individually how to recognize early signs of asthma, what foods to consume or avoid, and how to maintain healthy routines. This hands-on interaction allowed interns to closely observe the children's health status and address specific concerns raised by both children and staff, thereby enhancing personalized learning and community engagement. Children and staff gained knowledge about asthma management and preventive measures. Promoted healthy lifestyle and dietary habits among children with asthma. Early detection of potential asthma cases facilitated timely advice and follow-up. Created awareness in the community about respiratory health and preventive care.

### Student Involvement and Learning Outcome

Interns developed skills in community health education and pediatric health assessment. Learned to communicate effectively with children and staff about chronic disease management. Gained practical experience in screening, awareness creation, and health counseling. Recognized their role in promoting respiratory health and preventive care in the community.

### Conclusion

The World Asthma Day program at AWC, Sasaram was successfully conducted, benefitting children and staff through awareness sessions, discussions, and practical screenings. It reinforced knowledge about asthma management, promoted healthy practices, and provided valuable experiential learning for medical interns.

## World Hand Hygiene Day

Date: 6th May 2024

Time: 10:00 AM – 1:00 PM

Venue: RHTC, Akorhigola

Organized by: Department of Community Medicine

Target Group: Staff, patients, and local community at RHTC, Akorhigola

No. of Students Involved: 15 MBBS Interns

### Overview

World Hand Hygiene Day was observed at RHTC to promote proper hand hygiene practices and prevent the spread of infections. The program focused on educating staff, patients, and local community members about correct hand washing techniques and the importance of maintaining hand hygiene in daily life. Demonstrations and visual aids were used to enhance learning and engagement.

### Resource Persons

Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Saurabh Suman	MO
Dr. Neha Kumari	MO

### Participants

All interns participated in organizing and conducting the event. Staff members, patients, and local community members (100-120) actively attended the awareness sessions and demonstrations.

### Key Activities Conducted

- Demonstration of proper hand washing techniques to participants.
- Importance of hand hygiene explained through interactive sessions and posters.
- Visual aids and practical demonstrations used to enhance understanding.
- Participants were encouraged to practice correct hand washing steps.

### Community Engagement and Impact

Increased awareness among staff, patients, and locals about proper hand hygiene. Encouraged adoption of hand washing practices to prevent infections. Strengthened health-seeking behavior and personal hygiene practices in the community. Created an interactive platform for community members to learn and clarify doubts.

### Student Involvement and Learning Outcome

Interns gained hands-on experience in health education and community engagement. Developed communication, teamwork, and demonstration skills. Learned to educate diverse groups about preventive health measures. Realized their role as community health educators in promoting hygiene and disease prevention.

### Conclusion

The World Hand Hygiene Day program at RHTC was successfully conducted, benefiting participants through practical demonstrations and awareness sessions. It reinforced the importance of hand hygiene, promoted preventive health measures, and provided valuable experiential learning for medical interns.

## World Immunization Week

Date: 30th April – 5th May 2024

Time: 10:00 AM – 1:00 PM

Venue: NMCH

Organized by: Department of Community Medicine

Target Group: Patient relatives attending hospital

No. of Students Involved: All MBBS Interns

### Overview

World Immunization Week was observed at NMCH to promote awareness about the importance of immunization and preventive healthcare. The program focused on educating patient relatives about the National Immunization Schedule (NIS) and the benefits of timely vaccination. Activities aimed at community engagement and health awareness included interactive skits and counseling sessions outside the OPD.

### Resource Persons

Prof. (Dr.) Nipendra Anand	Prof. & Head
Dr. Navin Kumar	Professor
Dr. Rahul Chandra	Associate Professor
Dr. Sweta Suman	Assistant Professor
Dr. Jyoti Kumari	Senior Resident
Dr. Amulya Swati	LMO
Dr. Shubham Kumar	MO

### Participants

All interns participated in organizing and conducting awareness activities. Around 90–100 patients' relatives attended and actively engaged with the program.

### Key Activities Conducted

- Interns performed a skit emphasizing the importance of immunization.
- National Immunization Schedule (NIS) was explained in detail to patient relatives outside the OPD.
- Relatives clarified their doubts regarding vaccination schedules and preventive measures.
- Information regarding vaccine-preventable diseases and their impact was shared.

### Community Engagement and Impact

Relatives gained better understanding of immunization schedules and its significance. Awareness about preventive healthcare and timely vaccination was increased among attendees. Active participation encouraged health-seeking behavior among patient families. Strengthened trust between hospital staff and the community.

### Student Involvement and Learning Outcome

Interns gained hands-on experience in community health education.

Developed communication, teamwork, and organizational skills.

Learned to engage with people from diverse backgrounds and address their health concerns.

Recognized their role as health ambassadors and contributors to public health awareness.

### Conclusion

World Immunization Week at NMCH was successfully conducted, benefiting patient relatives while providing invaluable learning experiences for medical interns. The program enhanced awareness of preventive healthcare and promoted active community participation in immunization programs.

# World Leprosy Day

Date: 30th January 2024

Venue: Anganwadi Centre, Akorhigola

Target Audience: Staff, ASHA, and Local Community

No. of Students Involved: 15 (Interns, Batch 2018-19)

## Overview

On the occasion of World Leprosy Day, an awareness activity was organized at the Anganwadi Centre, Anganwadi. The objective was to educate the local community about the prevention, detection, and treatment of leprosy and to reduce stigma associated with the disease.

## Resource Persons

Dr. Navin Kumar – Faculty In-Charge, UHTC

Dr. SwetaSuman – Assistant Professor, Department of Community Medicine

## Participants

Fifteen medical interns actively participated in organizing and conducting the programme. Around 50 community members, including ASHA and Anganwadi staff, attended the session.

## Key Topics Covered

- Introduction to Mycobacterium leprae and disease transmission
- Clinical features and early signs of leprosy
- Free availability of MDT treatment in government health facilities
- Importance of early diagnosis and adherence to treatment
- Reducing stigma and promoting social acceptance

## Community Engagement and Impact

Over 50 community members attended the session and received health counseling.

Pamphlets and educational materials on leprosy prevention were distributed.

Suspected early cases were referred to the nearest PHC for confirmation and management.

The community appreciated the initiative, and local leaders expressed interest in continuing awareness drives.

## Student Involvement and Learning Outcome

Students gained hands-on exposure to public health education and patient interaction.

They understood the psychosocial impact of leprosy and the importance of community participation in disease control.

The activity enhanced their empathy, counseling ability, and commitment toward serving marginalized populations.

Interns realized the importance of awareness, communication, and preventive medicine in achieving disease elimination goals.

## Conclusion

The World Leprosy Day programme was successful in spreading awareness and sensitizing both students and the community. It strengthened the connection between medical education and public service.

## Report on Nasha Mukti Abhiyan

**Date:** 12-08-2024

**Venue :** Gopal narayan Singh University campus

**Organized by:** Narayan Institute of Agricultural Sciences, Gopal narayan Singh University

**Number of Student participated: 45**

As part of its commitment to building a healthy, aware, and drug-free society, Narayan Institute of Agricultural Sciences, Gopal narayan Singh University organized a program under the Nasha Mukti Abhiyan (Drug De-addiction Campaign) on 12-08-2024. The initiative was aimed at raising awareness among students and staff about the harmful effects of drug abuse and encouraging a collective stand against substance addiction.

### Objective:

The objective of the program was to spread awareness about the consequences of drug addiction and to promote a healthy, drug-free lifestyle among the youth.

### Key Highlights of the Event:

- A rally was organized with participation from students, faculty, and NSS volunteers, holding placards and chanting slogans promoting drug-free living.
- Students presented street plays, songs, and poems highlighting the dangers of drug addiction and the importance of a supportive community.
- All participants took a solemn anti-drug pledge to remain drug-free and spread awareness among their peers and families.

### Outcome:

The event witnessed enthusiastic participation from over [insert number] students and faculty members. The message of staying away from drugs and helping others to do the same resonated deeply with the attendees. Awareness materials such as pamphlets and booklets were distributed.

### Conclusion:

The Nasha Mukti Abhiyan celebration successfully instilled a sense of social responsibility among students. It was a reminder that youth power, when directed positively, can bring significant change in society. The university reaffirmed its commitment to continuing such initiatives and being an active contributor to the nationwide campaign against drug abuse.

## Detailed Report on IPA National Elocution Competition – 2024

Organised by:

Indian Pharmaceutical Association (IPA), Hyderabad

Participating Institution:

Narayan Institute of Pharmacy (NIOP)

Gopal Narayan Singh University (GNSU), Jamuhar, Sasaram, Bihar

Event Title:

IPA National Elocution Competition (NEC) – 2024

Date:

Held during 25<sup>th</sup> may 2024 (State Round)

Achievement:

**Mr. Sadbhav Rastogi**, B.Pharm student of Narayan Institute of Pharmacy, GNSU, secured **1st Position** in the State Round of the IPA National Elocution Competition 2024.

### 1. Introduction

The Indian Pharmaceutical Association (IPA), Hyderabad branch, in collaboration with the IPA Student Forum, organized the National Elocution Competition (NEC) 2024, a flagship event aimed at nurturing the communication skills, professional confidence, and leadership qualities of budding pharmacists across India.

The Narayan Institute of Pharmacy (NIOP), under Gopal Narayan Singh University (GNSU), proudly participated in this prestigious competition. The event provided a national-level platform for pharmacy students to express their views on key healthcare topics, pharmaceutical advancements, and social responsibilities of pharmacists.

### 2. Objective of the Competition

The primary objectives of the IPA National Elocution Competition 2024 were:

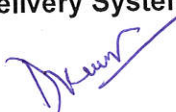

1. To encourage **public speaking and scientific communication skills** among pharmacy students.
2. To promote **awareness of current issues and innovations** in the field of pharmacy and healthcare.
3. To identify and recognize **young talents and leaders** in the pharmacy profession.
4. To strengthen **student participation and representation** in professional organizations such as the IPA.

### 3. Theme of the Elocution

The national-level competition revolved around the central theme:

**“Role of Pharmacists in Strengthening Healthcare Delivery System in India”**

  
**Coordinator**  
IQAC (NAAC)  
Gopal Narayan Singh University  
Jamuhar, Sasaram, Bihar

  
**PRINCIPAL**  
NARAYAN INSTITUTE OF PHARMACY  
JAMUHAR, SASARAM, ROHTAS, (BIHAR)

Participants were encouraged to present their perspectives on pharmacists' contributions in improving public health, patient counseling, rational drug use, and innovation in the pharmaceutical sector.

#### 4. Event Structure

The **IPA National Elocution Competition** was conducted in **multiple stages**:

1. **Institute Level Round** – Conducted within individual colleges to shortlist students.
2. **State Level Round** – Winners from each college competed at the state level.
3. **Zonal and National Rounds** – Top state winners advanced to compete at regional and national levels.

Each participant was evaluated based on **content relevance, clarity, expression, confidence, and time management**.

#### 5. Participation from NIOP

From **Narayan Institute of Pharmacy, GNSU**, several students actively participated in the initial rounds. The event at the institute level was coordinated by the **Literary and Cultural Committee** of NIOP to select the best speaker to represent the college in the **state round**.

Among the talented participants, **Mr. Sadbhav Rastogi**, a dynamic and articulate B.Pharm student, was selected to represent **NIOP** in the **State Round** of the IPA NEC 2024.

#### 6. Achievement

We are proud to report that **Mr. Sadbhav Rastogi** secured the **1st Position in the State Round** of the **IPA National Elocution Competition 2024** organized by **Indian Pharmaceutical Association (IPA), Hyderabad**.

His outstanding performance was highly appreciated by the panel of judges, which comprised eminent academicians and industry professionals. His speech was commended for:

- Excellent **oratory skills and stage presence**.
- Deep understanding of **pharmacy practice and healthcare policies**.
- Well-structured and evidence-based **argumentation**.
- Impressive **confidence, diction, and delivery style**.

#### 7. Highlights of the Event

- The **state-level round** witnessed participation from several **leading pharmacy institutions across Bihar**.
- **Mr. Sadbhav Rastogi** represented **Narayan Institute of Pharmacy** with distinction, showcasing the **academic and communicative excellence** fostered at the institute.
- The event created a platform for students to share their vision of the **future role of pharmacists** in the Indian healthcare system.
- IPA organizers commended the **active participation of GNSU and NIOP** for their contribution to the competition.

#### 8. Outcome and Impact

  
**Coordinator**  
**IQAC (NAAC)**  
Gopal Narayan Singh University  
Jamaur Saharam, Rohtas (Bihar)

  
**PRINCIPAL**  
NARAYAN INSTITUTE OF PHARMACY  
JAMUHAR, SASARAM, ROHTAS (BIHAR)

The competition had a significant academic and motivational impact on students:

1. It encouraged **public speaking, analytical, and leadership skills** among participants.
2. It enhanced students' **knowledge of healthcare systems, pharmacy practice, and regulatory aspects**.
3. It strengthened **institutional visibility and reputation** at the state and national levels.
4. It motivated other students to participate in **IPA activities and national competitions**.
5. The achievement of **Mr. Sadbhav Rastogi** served as an inspiration for the entire student community of NIOP.

### 9. Appreciation

The **Principal, Faculty Members, and Student Council** of Narayan Institute of Pharmacy congratulated **Mr. Sadbhav Rastogi** for his outstanding performance. He was felicitated by the **Principal and faculty members** during a departmental gathering for bringing laurels to the institute.

The institute also expressed gratitude to the **Indian Pharmaceutical Association (IPA), Hyderabad**, for organizing such an impactful national event promoting **communication excellence and professional ethics** among pharmacy students.

### 10. Conclusion

The success of **Mr. Sadbhav Rastogi** in the **IPA National Elocution Competition 2024** marks a **proud moment** for Narayan Institute of Pharmacy (NIOP) and Gopal Narayan Singh University (GNSU).

This achievement reflects the institute's commitment to nurturing **academic brilliance, professional confidence, and holistic development** among its students.

Through consistent encouragement and participation in national-level platforms such as IPA events, **NIOP continues to uphold its vision of shaping competent, confident, and ethical pharmacy professionals** who contribute meaningfully to the healthcare sector.

**"The art of communication is the language of leadership — and our student has exemplified it through excellence."**

## **Report:Conference on World Hypertension Day**

Date of Programme: 17 May 2024

Narayan Paramedical Institute and Allied Sciences (NPIAS)

Venue: GNSU Auditorium

### **Overview**

NPIAS organized a combination of quiz competition, poster competition, and cultural programme as part of the Conference on World Hypertension Day. The programme focused on the topic “Association of Hypertension in Cardiovascular Diseases in Indian Scenario,” highlighting the impact and management of hypertension in the Indian context.

### **Resource Persons and Invited Guests**

- Dr. Girish Mishra, Cardiologist, NMCH, Jamuhar
- Dr. Hirday Kumar, HOD, Dept. of Anaesthesiology, NMCH, Jamuhar
- Dr. Vivek Sinha, HOD, Dept. of Biochemistry, NMCH, Jamuhar
- Dr. Devendra Prasad, PMCH, Patna

### **Active Participants**

- All students of NPIAS
- Teaching faculty and non-teaching staff

### **Key Activities**

- Quiz competition and poster presentation centered on hypertension awareness.
- Cultural programme celebrating World Hypertension Day.
- Conference sessions addressing the association between hypertension and cardiovascular diseases in India.

### **Impact**

Participants gained deeper knowledge about hypertension's role in cardiovascular diseases. The event fostered awareness, peer learning, and engagement with current research and best practices in hypertension management.

  
**Coordinator**  
**IQAC (NAAC)**  
Gopal Narayan Singh University  
Jamuhar Sasaram, Rohtas (Bihar)

## **Conclusion**

The conference and competitions meaningfully contributed to the institution's health awareness initiatives, engaging students and faculty in collaborative learning and knowledge dissemination about hypertension.

## **Workshop Report: Skill Development Workshop: Basic Cardiac Life Support (BCLS)**

Year of Implementation: 2024

Department of OT,

NPIAS, Jamuhar, Sasaram,

Gopal Narayan Singh University

### **Overview**

The Department of OT, NPIAS, GNSU organized a skill development workshop on “Basic Cardiac Life Support (BCLS)” to equip students with essential knowledge and techniques for supporting cardiac arrest patients using hands-on methods, including Cardiopulmonary Resuscitation (CPR). The workshop emphasized life-saving strategies for improving patient survival until advanced care arrives.

### **Resource Persons**

Dr. Hirday Kumar, HOD, Dept. of Anaesthesiology, NMCH, Jamuhar

Dr. Ajeet Gupta, IGIMS, Patna

Dr. Vivek Kumar Sinha, HOD, Dept. of Biochemistry, NMCH, Jamuhar

### **Participants**

A total of 45 students from various academic specializations were enrolled and actively participated in learning and practicing BCLS procedures.

### **Objectives**

Gathered knowledge and learned techniques for performing cardiac support using hands-only CPR and other procedures. Understood the physiology of patient circulation and respiration during cardiac arrest. Practiced various life-saving procedures to maintain patient vitals until definitive care becomes available.

### **Impact**

The workshop empowered students with practical, hands-on experience, critical for medical and paramedical roles. Students learned to respond to cardiac emergencies, perform CPR effectively, and apply timely interventions. The activity promoted skill enhancement relevant to both clinical and emergency healthcare settings.

  
**Coordinator**  
**IQAC (NAAC)**  
Gopal Narayan Singh University  
Jamuhar, Sasaram, Patna (Bihar)

## **Conclusion**

The BCLS workshop contributed significantly to the capability enhancement of students by fostering immediate response skills and life-saving expertise. Collaboration between internal and external experts ensured high-quality training, preparing students for real-world medical emergencies.

DEPARTMENT OF PHYSIOTHERAPY

Coordinator  
IOAC (NAC)

University

Dear Sir/Ma'am

Date: 10/01/2024

After the approval of University Administration, NCC and NSS unit of Gopal Narayan Singh university is requesting to all the NSS and NCC coordinators to organise various activity on 12<sup>th</sup> January, 2024 to commemorate the birth anniversary of Swami Vivekananda in your faculty/Department.

So, please plan for few activities among below given activities in your departments/collage/faculty:

**1. Lectures and Discussions:**

Schedule special lectures or discussions on Swami Vivekananda's life, philosophy, and contributions to society.

Encourage participation from students, and guest speakers who can share insights related to Swamiji's teachings.

**2. Student Engagement:**

Facilitate student-led initiatives, such as essay competitions, debates, or cultural programs, to encourage active participation and reflection on Swami Vivekananda's principles.

**3. Decorations and Displays:**

Arrange for the decoration of key areas with banners, posters, and displays highlighting Swami Vivekananda's quotes, teachings, and accomplishments.

Create an atmosphere that resonates with his vision for education and character-building.

**4. Community Service:**

Organize community service activities or outreach programs in alignment with Swami Vivekananda's emphasis on selfless service to society.

Encourage students and staff to participate in initiatives that contribute to the welfare of the community.

**5. Prayer and Meditation Session:**

Arrange for a special prayer or meditation session, emphasizing the spiritual aspects of Swami Vivekananda's teachings.

Thank you for your dedication to upholding the values and teachings of Swami Vivekananda within our University and kindly send the name of winners to NCC office by 15<sup>th</sup> January, 2024

Best regards,

Dr. Mayank Kumar Rai,  
NCC and NSS In-charge,  
GNS University.

### Key Observations:

- Crops were healthy, with minimal signs of pest infestation.
- The use of drip irrigation reduced water usage significantly.
- Crop rotation was practiced to prevent soil depletion and reduce disease occurrence.

### Farmers' Feedback:

Many farmers appreciated the practicality of organic methods and expressed interest in adopting composting. Some showed concern about the initial labor required for compost preparation.

### Conclusion:

**Conclusion:**  
The field visit was a valuable learning opportunity for the farmers. They gained insights into sustainable farming techniques that can improve productivity while protecting the environment. The group expressed gratitude to ATMA Rohtas and Narayan Institute of Agricultural Sciences and requested more regular learning visits.

Equipment usage: smoker, hive tool, and protective gear and visit to NIAS apiary

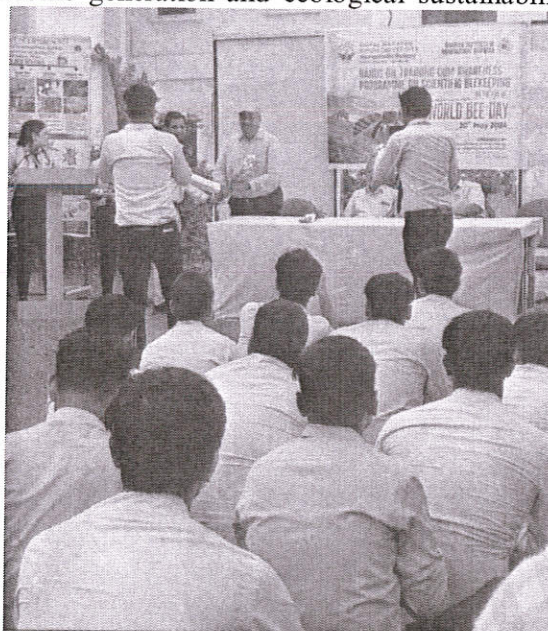

## Outcome and Feedback

The training proved to be highly informative and practical. Participants expressed great interest in adopting scientific beekeeping as a supplementary livelihood. Feedback indicated:

- Increased understanding of scientific hive management
- Motivation to start small-scale apiaries
- Interest in attending advanced apiculture training
- Appreciation for the practical exposure provided

## Conclusion

The Hands-on Training cum Awareness Programme on Scientific Bee Keeping successfully met its objectives by equipping participants with both theoretical knowledge and practical skills. It is expected that this initiative will lead to an increase in the adoption of scientific beekeeping practices in the region, contributing to rural income generation and ecological sustainability.

## **Report on Observance of International Day Against Drug Abuse and Illicit Trafficking – 2024**

**Name of event** - Observance of International Day Against Drug Abuse and Illicit Trafficking – 2024

**Theme-** “The Evidence is Clear – Invest in Prevention”

**Venue** – Audi -1, Deo Mangal Sabhagar, GNSU. Jamuhar, Rohtas, Bihar

**Date-** 5th July, 2024 (Friday)

**Time-** 2:00 PM to 5:00 PM

**Total No. of Participant** – 250 (GNM II Year & B.Sc. (N) VI Semester, Faculty member & HOD)

### **Brief Report**

On the occasion of the International Day Against Drug Abuse and Illicit Trafficking – 2024, with the theme “**The Evidence is Clear – Invest in Prevention**”, the **Department of Mental Health Nursing**, Narayan Nursing College, Gopal Narayan Singh University, Jamuhar, organized a **Guest Lecture and Debate Competition** (in both Hindi and English) on **5th July, 2024 (Friday)**.

The guest lecture session featured two eminent speakers:

- **Dr. Anjana Gandhi**, Consultant Neuropsychiatrist, Narayan Medical College & Hospital, who delivered an insightful talk on “The Evidence is Clear – Invest in Prevention.”
- **Dr. Sumita S. Masih**, Associate Professor, Central Institute of Psychiatry (CIP), Ranchi, who spoke on “Drug Abuse and Illicit Trafficking.”

Additionally, **Ms. Sabina Kujur**, Assistant Professor, Narayan Nursing College, presented a lecture on “Role of Nurse in Community and Psychiatric Hospital.”

A **special address** was delivered by **Prof. Dr. K. Latha**, Dean-cum-Principal, NNC, emphasizing that:

“The youth should be prevented from drug abuse and trafficking. Everyone should take an oath and promise themselves never to use substances under any circumstances.”

A **Debate Competition** was conducted in both Hindi and English, judged by **Prof. Dr. Shaveta Sharma**, Vice Principal, and **Prof. Dr. Lisy Joseph**, Professor, NNC.

### **Winners of Debate Competition (Hindi):**

- **1st Prize:** Harsh
- **2nd Prize:** Ms. Priyanshu Kumari
- **3rd Prize:** Ms. Vishnu Priya

### **Winners of Debate Competition (English):**

- **1st Prize:** Mr. Ujala Babu
- **2nd Prize:** Ms. Surbhi
- **3rd Prize:** Mr. Purushottam Kumar

  
**Coordinator**

The program was coordinated and organized under the guidance of the Department of Mental Health Nursing.

- **Ms. Nandini Bhumij**, Associate Professor, unfolded the theme “The Evidence is Clear – Invest in Prevention.”
- **Ms. Sabina Kujur**, Assistant Professor, delivered the lecture session.
- **Mr. Mohit Kumar Gupta** effectively coordinated the overall event.

Students of **GNM II Year** and **B.Sc. (N) VI Semester**, along with faculty members, actively participated in the event. The key message delivered to all participants was:

**“Say No to Drugs and Yes to Life.”**

### **Impact:-**

The observance of *International Day Against Drug Abuse and Illicit Trafficking – 2024* created a significant impact among students and faculty members. The seminar and debate sessions enhanced participants’ awareness about the harmful physical, psychological, and social consequences of drug abuse. The expert lectures by psychiatrists and mental health professionals provided scientific evidence and real-life examples emphasizing the importance of prevention and early intervention.

Students gained deeper understanding of their vital role as future nurses in identifying, counseling, and educating individuals at risk of substance abuse. The interactive debates encouraged critical thinking, confidence, and effective communication skills among participants.

Overall, the programme successfully instilled a strong sense of social responsibility and commitment to promote a **drug-free society**. The message “*Say No to Drugs and Yes to Life*” deeply influenced the youth and motivated them to spread awareness within their families, peer groups, and communities.

## Report on: "World Health Day, 2024"

**Introduction:** A Webinar was conducted on the Observance of "World Health Day, 2024" on Theme- "My Health, My Right" which was organized by Department of Nursing Foundation, Narayan Nursing College in collaboration with ECHO India. ECHO sensitization program is organized for Nurses, Nursing Students & Faculties, in Bihar. The mode of training is Iecho (virtual Platform) which is to be conducted from 2 PM TO 4 PM on 8th April, 2024.

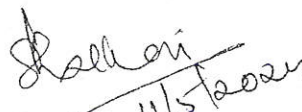

**Description:** The program was initiated timely with the Inaugural ceremony by the dignitaries of NNC. The welcome address was delivered to welcoming all the participants across India. The unfolding of theme was conducted by Dr. Shaveta Sharma, Vice Principal, and NNC for the event. Ms. Anila Goswami, Sr. Manager, Echo India delivered her introduction session on About Echo India after which the key note address was delivered by Dr. K. Latha, Dean cum Principal, NNC on the day. On the program our eminent Guest Speakers- Dr. Mamta, Assistant Professor, College of Nursing, AIIMS, Jodhpur enlightened us on Topic- "Understanding Healthcare Rights- An Overview" and Dr. Radhika M. Associate Professor, College of Nursing, IGIMS, Patna delivers on Topic- "Access to Healthcare: Challenges and Solutions".

On the virtual Webinar Dr. K. Latha, Dean cum Principal, NNC, Dr. Shaveta Sharma, Vice Principal, NNC, Ms. Anila Goswami, Sr. Manager, Echo India and Mr. Albin Mathew, Manager, Echo India has graced the event. The total no. of registration were 723 and more than 500+ participants have joined the webinar from various organizations and healthcare sectors were present at this platform. The participants engaged the doctorate, undergraduate, post graduate, faculties and nursing officers together across India. With the collaborative efforts of Organising Team Members, Dr. P. Poonarasi, Ms. Nikee Minz, Mr. Sajjan Patel, Mr. Dinesh Kumawat, Mr. Akshay Deewan, Mr. Md. Umar, Mr. Vikrant Kumar and Mr. Biplab Dinda, have engaged the program with enthusiasm, curiosity and respect for one another's perspectives.

**Conclusion:** The guest speakers were appreciated for sharing their valuable insights with the participants and shared e-certificate, thank you letter and remuneration of Rs 1000/- to each speaker as token of appreciation. We also expressed our warm gratitude to the ECHO India for the remarkable efforts and providing the technical support in the webinar. Special greetings were sent to, Ms. Anila Goswami, Sr. Manager, Echo India and Mr. Albin Mathew, Manager, Echo India for coordinating at the program. All the participants in the webinar received the e-certificates after filling the feedback form. The program summary was also covered by the local news paper with the support of PRO, GNSU.

**Medical and Surgical Nursing Department**  
**Observance Report of World Cancer Day-2024**  
**Theme: "Close The Care Gap"**

The Department of Medical and Surgical Nursing of Narayan Nursing along with their M.Sc. Nursing 1st year students observed National Cancer Awareness Day & The World Cancer Day - 2024 with the Theme "Close the Care Gap" on 07th Feb, 2024. The events organized on this awareness day were Nukkad Natak, Quiz Competition & Poster Presentation.

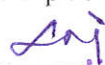

Mr. Biplab Dinda, Nursing Tutor and Mr. Shivanshu Kumar, Nursing Tutor guided around twenty Students from B. Sc. Nursing Vth semester and GNM IInd Year for performing Nukkad Natak at OPD area of NMCH from 10.45 AM to 11.45 AM as a way to create awareness among patients and their care givers regarding Cancer & its Management, Prevention. Around one Hundred OPD patients attended the awareness programme. Prof. Dr. Shaveta Sharma, Prof. Dr. Ponnarasi and other faculties attended the same and encouraged the students.

On this awareness programme, Quiz competition was conducted for the B.Sc. Nursing Vth semester and GNM IInd Year students at NNC (LT-3) from 10:30AM to 11:30AM. Five teams with three members in each participated in the Quiz that was moderated by Dr. Jamuna, Assistant professor of Medical Surgical Department. The Prize winners for Quiz competition were as follows:

- The first position award was given to Mr. Shalu Kumari, Ms. Sruti Ranjan & Mr. Neeraj Kumar (GNM IInd Year students)
- The second position award was given to Mrs. Minakshi Thakur, Mr. Zahid Rashid & Mr. Aditya Kumar (B.sc (N) Vth semester students)
- The Third Position award was given to Ms. Ekata Kumari, Ms. Smrity Anand, Mr. Raj Rishi (B.sc (N) Vth semester students)

Nextly, The Posters Presentation competition was organised by the students of B. Sc. Nursing Vth semester and GNM IInd Year students were exhibited at NNC (LT-3) at 12 PM. A total of twelve students participated and the Posters were evaluated by Prof. Dr. Lisy Joseph and Prof. Dr. Ponnarasi. The first three positions were bagged by GNM IInd Year students (Mr. Neeraj Kumar, Mr. Mantu Kumar & Ms. Simmi Kumari respectively). The posters after presentation were fixed in the oncology ward of NMCH to aware the general people.

The valedictory function was organized at NNC (LT-3) on the same day at 2 PM. Prof. Dr. K. Latha, Dean cum Principal, Prof. Dr. Shaveta Sharma, Vice-Principal, Dr. Ponnarasi, HOD- Dept. of Medical Surgical Nursing & Prof. Dr. Lisy Joseph, HOD- Dept of Community Health Nursing, all faculties of NNC and the students attended the National Cancer Awareness Day & World Cancer Day Program. The program started with a prayer song by GNM 3rd Year students followed by lighting the Lamp by the dignitaries. Mr. Biplab Dinda mastered the ceremony & Mr. Shivanshu Kumar welcomed the gatherings.

## Report on the Commemorative Birth Anniversary of Swami Vivekananda

**Date of Event:** January 12, 2025

**Venue:** MBA Ground, GNSU, Bihar

**Introduction:** The 161st birth anniversary of Swami Vivekananda was celebrated at Gopal Narayan Singh University on January 12, 2024, to honor his contributions to spiritual philosophy, education, and social empowerment. As National Youth Day, this occasion aimed to inspire students to embrace Swami Vivekananda's ideals of strength, self-reliance, and service to society. The university, known for fostering intellectual growth, organized various events to commemorate the legacy of one of India's most revered spiritual leaders.

### **Event Highlights:**

- 1. Opening Ceremony:** The event commenced at Gopal Narayan Singh University with an inaugural ceremony attended by students, faculty, and staff. The ceremony was inaugurated by the Prof. Dr. Jagdish Singh, Pro Vice Chancellor, Gopal Narayan Singh University, who delivered a speech emphasizing the relevance of Swami Vivekananda's teachings in the contemporary world, especially for young people.
- 2. Marathon, Essay Writing and Debate Competitions:** As part of the celebrations, the university organized essay writing and debate competitions, inviting students to express their views on Swami Vivekananda's philosophy. Topics for the essay competition included "The Role of Youth in Social Transformation" and "Swami Vivekananda's Concept of Self-Realization." The debate centered on "The Relevance of Vedanta in Modern Times."
- 3. Prayer and Meditation Session:** In line with Swami Vivekananda's emphasis on spirituality and meditation, a peaceful prayer and meditation session was conducted at the university's meditation hall. Students, faculty, and staff participated in silent meditation, reflecting on Vivekananda's teachings and connecting with their inner selves.

**Message from University Leadership:** The Pro Vice Chancellor of GNSU expressed his admiration for Swami Vivekananda's role in shaping the ideals of modern India, particularly his focus on empowering youth and promoting education as the key to nation-building. He encouraged students to incorporate Vivekananda's teachings into their academic and personal lives, striving to become responsible, compassionate, and successful citizens.

**Conclusion:** The birth anniversary of Swami Vivekananda was celebrated with great enthusiasm at Gopal Narayan Singh University, with students and faculty actively participating in a variety of educational, cultural, and social initiatives. The event not only commemorated Swami Vivekananda's life and work but also inspired the next generation to follow in his footsteps, embracing the values of self-reliance, service, and intellectual growth.

Dear Sir/Ma'am

After the approval of University Administration, NCC and NSS unit of Gopal Narayan Singh university is requesting to all the NSS and NCC coordinators to organise various activity on 12<sup>th</sup> January, 2024 to commemorate the birth anniversary of Swami Vivekananda in your faculty/Department.

So, please plan for few activities among below given activities in your departments/collage/faculty:

**1. Lectures and Discussions:**

Schedule special lectures or discussions on Swami Vivekananda's life, philosophy, and contributions to society.

Encourage participation from students, and guest speakers who can share insights related to Swamiji's teachings.

**2. Student Engagement:**

Facilitate student-led initiatives, such as essay competitions, debates, or cultural programs, to encourage active participation and reflection on Swami Vivekananda's principles.

**3. Decorations and Displays:**

Arrange for the decoration of key areas with banners, posters, and displays highlighting Swami Vivekananda's quotes, teachings, and accomplishments.

that resonates with his vision for education and character-building.

**4. Community Service:**

Organize community service activities or outreach programs in alignment with Swami Vivekananda's emphasis on selfless service to society.

Encourage students and staff to participate in initiatives that contribute to the welfare of the community.

**5. Prayer and Meditation Session:**

Arrange for a special prayer or meditation session, emphasizing the spiritual aspects of Swami Vivekananda's teachings.

Thank you for your dedication to upholding the values and teachings of Swami Vivekananda within our University and kindly send the name of winners to NCC office by 15<sup>th</sup> January, 2024.

Best regards,

Dr. Mayank Kumar Rai,

NCC and NSS In-charge,

GNS University.

**Introduction:** The **National Cadet Corps (NCC)** is an organization that aims to instill discipline, leadership qualities, and a spirit of service among the youth of India. One of the most important milestones for NCC cadets is the successful completion of the **NCC 'C' Certificate Exam**, which is an essential qualification for those who wish to pursue higher positions within the NCC or further their careers in the armed forces or civil services.

The **NCC 'C' Certificate Exam** is conducted annually for cadets who have completed their training at the senior division level. This certificate serves as an acknowledgment of the cadet's proficiency in various aspects of the NCC, including leadership, military knowledge, discipline, and social service.

In **2024**, the **NCC 'C' Certificate Exam** was conducted in a systematic and well-organized manner, providing an opportunity for cadets to demonstrate their skills and knowledge accumulated during their years of training.

### **Objectives of the NCC 'C' Certificate Exam:**

#### **1. Evaluate Cadet Proficiency:**

- To assess the cadet's understanding of military skills, leadership, and discipline.

#### **2. Encourage Discipline and Leadership:**

- To test and enhance the cadet's leadership qualities, team coordination, and organizational skills.

#### **3. Provide Opportunities for Advancement:**

- To serve as a gateway for cadets to pursue further opportunities in the armed forces, civil services, or NCC-related career paths.

#### **4. Enhance Physical and Mental Fitness:**

- To evaluate the cadet's physical fitness, endurance, and mental alertness.

# Overview of the NCC 'C' Certificate Exam 2024:

## 1. Exam Dates and Schedule:

- The NCC 'C' Certificate Exam for the 2024 batch was conducted over a period of [Start Date] to [End Date], following a rigorous schedule of written and practical assessments. The exam was structured to test cadets' knowledge in a variety of areas, including military drills, weapon training, map reading, and leadership skills.

## 2. Eligibility Criteria:

- Cadets who had completed at least two years of training in the **Senior Division Wing** of the NCC, which includes both practical and theoretical components, were eligible to sit for the exam.
- Cadets were required to meet a minimum attendance requirement, usually **75%**, in their training sessions and participate actively in camps and field exercises to qualify for the exam.

## 3. Exam Structure: The NCC 'C' Certificate Exam consisted of both written and practical components:

- **Written Exam:** The written exam tested cadets on subjects like:
  - **National Integration**
  - **Leadership Development**
  - **Military Knowledge**
  - **Drills and Discipline**
  - **Current Affairs**
  - **General Knowledge of the Armed Forces**
- **Practical Test:** The practical test assessed cadets on their:
  - **Drill Practice**
  - **Map Reading and Navigation**
  - **Field Craft and Battle Craft**
  - **Physical Fitness** (including PT, marching, and obstacle courses)
  - **Weapon Handling**
  - **First Aid and Emergency Response**

## 4. Evaluation Process:

- Cadets were evaluated based on their theoretical knowledge, practical abilities, and overall performance during the examination period.
- The evaluation was conducted by a team of senior NCC officers and instructors, who ensured that all cadets were assessed fairly and in line with NCC standards.

  
**Coordinator**  
**IQAC (NAAC)**

Gopal Narayan Singh University  
Jamuhar, Sasaram, Rohtas (Bihar)

### 5. Training Camps:

- Prior to the exam, cadets were required to attend **training camps** where they were given hands-on training in various military skills, including weapon handling, drill formations, and survival techniques.
- These camps also provided an opportunity for cadets to improve their physical fitness and mental preparedness, which are essential for excelling in the exam.

## Key Achievements of the NCC 'C' Certificate Exam 2024:

### 1. High Participation:

- The **2024 NCC 'C' Certificate Exam** saw a significant number of cadets from various schools, colleges, and universities across the country participating, demonstrating the growing interest in NCC training and its benefits.

### 2. Successful Completion:

- The exam was completed successfully with a **high pass rate**. Many cadets who appeared for the exam displayed exceptional skills in both theoretical knowledge and practical tests, showcasing their dedication and preparation throughout their training period.

### 3. Physical and Mental Preparedness:

- Cadets exhibited remarkable **physical fitness** and **mental strength** during the physical training and obstacle courses, which are vital aspects of the NCC training program.

### 4. Leadership and Discipline:

- The leadership qualities of cadets were evident in the **team drills** and **commanding activities**. Cadets demonstrated their ability to lead and motivate others, showcasing the leadership training embedded within the NCC curriculum.

### 5. Integration of Technology:

- For the first time, a portion of the **written exam** was conducted through **digital platforms**, allowing cadets to take part in an online examination. This innovation helped streamline the exam process and ensured that cadets from remote areas could participate without logistical challenges.

  
**Coordinator**  
**IQAC (NAAC)**  
Gopal Narayan Singh University  
Jamuher, Sasaram, (Bihar)

## Challenges Faced During the Exam:

### 1. Logistical Challenges:

- Despite the success of the exam, there were **logistical challenges** in some remote areas regarding the availability of exam centers and accessibility to transportation for cadets.

### 2. Technical Issues:

- The introduction of digital platforms for the written exam came with some **technical challenges**, such as internet connectivity issues in certain regions, which affected the smooth conduct of the exam for a few cadets.

### 3. Physical Endurance:

- Some cadets struggled with the **physical fitness tests** and obstacle courses, particularly those who had not maintained their physical endurance levels throughout the training program.

This certificate opens up multiple career opportunities for cadets, including positions in the armed forces, civil services, and other leadership roles in various sectors. The NCC continues to play a vital role in nurturing responsible citizens, future leaders, and potential military personnel, contributing significantly to nation-building.

With the continuous support of the government and the dedication of the cadets and instructors, the **NCC 'C' Certificate Exam** will remain a prestigious milestone for youth across the country, promoting patriotism, leadership, and discipline.

## Camp Experience

The **CATC V** was a good experience for all the cadets. Total 16 Cadet attended the 'C' Certificate exam. Cadets learned many basic things about drilling, weapons operations and parts, rifle firing etc. Also, they got to learn many things about NCC lifestyle which we can inculcate in our lives which encompasses discipline, team work, self-confidence, leadership quality, organize and flexible working and good management etc. The camp was organised for 10 days schedule with lots of productive and engaging activities listed in it but due to uncertain weather conditions and shortage of efficient human resources, many important programme and activities like games and sports, P.T, classes by guest lecturers, sufficient drill practices etc were excluded and many events couldn't be optimally conducted. But as a whole the camp was a great experience for us and we hope for more active participation in efficiently organised camp in future.

## Conclusion:

The NCC 'C' Certificate Exam 2024 was a major success, showcasing the commitment, discipline, and leadership qualities of the cadets. The exam served as a platform for cadets to demonstrate their training in both theoretical and practical aspects of military service, and their performance highlighted the effectiveness of the NCC's training programs.

## Report on NCC Cadet Meeting

**Event:** NCC Cadet Meeting

**Objective:** Update NCC requirement & Class schedule

**Participants:** NCC Cadets

**Program coordinator:** Mr. Mohit Kumar Gupta, NCC Coordinator, NNC , Rohtas, Bihar

**Date:** 22<sup>nd</sup> Nov. 2024

**Venue:** LT-2 , Narayan Nursing College

### **Brief Report:**

The meeting was attended by NCC Coordinator Mr. Mohit Kumar Gupta and all NCC cadets of the Narayan Nursing College. During the meeting, the NCC Coordinator was apprised of various activities of the NCC unit and plans to expand its campaigns on campus. In his key address, Mr. Mohit Kumar Gupta said that NCC provides exposure to cadets in various activities, with a distinct emphasis on social services, discipline, and adventure training. NCC also plays a vital role in the development of the country by providing a large pool of disciplined and motivated young people who can serve as a reserve force during times of national emergencies. "The training and discipline imparted by NCC help them become responsible citizens and future leaders of the country," he said. NCC focuses on physical fitness and sports training, which helps inculcate a healthy lifestyle and a spirit of sportsmanship among its cadets. He promised all cadets that they would conduct more NCC campaigns in the future and the administration would continue to support such initiatives on campus. On the occasion, Mr. Mohit Kumar Gupta, NCC Coordinator, presented a formal vote of thanks to all NCC cadets for attending the meeting on short notice.

**Event:** Independence Day on 15<sup>th</sup> August 2024.

**Objective:** The Constitution which declared our country a Republic allow us to live in own way, live a dignified life and rule ourselves – it proclaims us a democracy & understanding the importance of democracy, freedom, equality & the right of citizens.

**Participants:** Dean cum Principal, Vice Principal, HOD, teaching and non-teaching staff 60 NCC Cadet along with M.Sc., B.Sc.(N) & GNM students.

**Program coordinator:** Mr. Mohit Kumar Gupta, M.Sc. Nursing Tutor, NNC.

**Brief Report:**

The Independence Day celebration at the college was held on August 15, 2024, with great enthusiasm and patriotic fervour. The event was attended by students, faculty members, and staff of the college. The celebrations began with a flag-hoisting ceremony by the principal Dr. Prof. K. Latha. The National Anthem was sung by the students and with great pride. Following the flag-hoisting ceremony, Dr. Prof. K. Latha delivered the patriotic speech. In his speech, Dr. Prof. K. Latha paid tribute to the freedom fighters who sacrificed their lives for the independence of our country. He also urged the students to be proud of their heritage and to contribute towards building a strong and prosperous India. The program was well-received by the audience. The event concluded with the distribution of prizes to the winners of the various competitions that were held as part of the celebrations. Followed by, Dr. Prof. K. Latha honoured to the 3 top NCC Cadet in NCC 'C' certificate exam (42 Bihar Battalion, Sasaram) with memento. The Independence Day celebration at the college was a great success. The event also served as a reminder of the sacrifices that were made by our freedom fighters to secure our independence. The event was well organised in association with NCC Coordinator and NCC Cadet.

**Date:** 17/09/2024

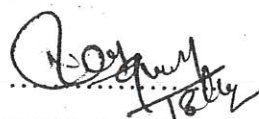

**Venue:** LT-1 , Narayan Nursing College, Jamuhar, Rohtas, Bihar

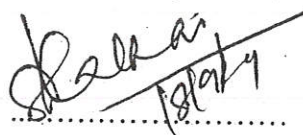

**Topic:** Scope & carrier of NCC & NSS in various fields.

**Brief Report:**

On 17 September 2024 at Narayan Nursing College, a Guest lecture was organised by an Mr. Raushan Singh, PIs ,NCC , 42 Bihar Battalion, Gopal Narayan Singh University, Jamuhar, Rohtas, Bihar.

This lecturs aim was to give guidance on "Scope & carrier of NCC & NSS in various field" to all the Basic B.Sc. Nursing 1<sup>st</sup> Semester students, Narayan Nursing College, Jamuhar. He imparted knowledge about NCC & NSS that NCC stands for National Cadet Corps, a training program. It is open to the students of schools and colleges. It's a voluntary program and any student can join it. This program teaches students to follow a disciplined life. He explained about scope of NCC & carrier option for NCC Cadet. It was a successful event with approximately -- students being a part of it.

## Program on Voting Awareness

Program on Voting Awareness was organized by NSS Faculty of Information Technology & Engineering, Gopal Narayan Singh University.

During this, NSS University coordinator Dr. Mayank Kumar Rai, as the keynote speaker and Public Relations Officer Mr. Bhupendra Narayan Singh as guest speaker gave an in-depth discussion on why voting is necessary for all the students.

Dean of Faculty of Information Technology & Engineering, Professor (Dr.) Arunava De welcomed and thanked all the students and university officials.

NSS coordinator of Faculty of Information Technology & Engineering Mr. Arup Kadia and his team organized the event.

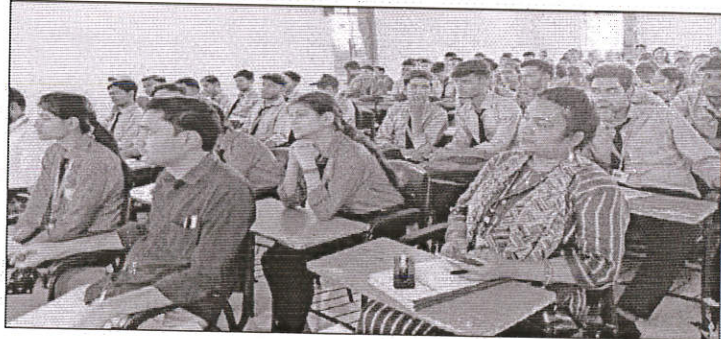

औरंगाबाद, बुधवार, 24 अप्रैल 2024

# मतदाता अपने मताधिकार का उपयोग अवश्य करें

### बिहार टाइम्स ब्यूरो

सासाराम। राष्ट्रीय सेवा योजना तथा सूचना एवं प्रौद्योगिकी संस्थान की इकाई के द्वारा गोपाल नारायण सिंह विश्व विद्यालय, जमुहार में मतदाता जागरूकता अभियान कार्यक्रम का आयोजन किया गया। कार्यक्रम में अतिथि के रूप में एनएसएस विश्वविद्यालय समन्वयक डॉ मयंक कुमार राय एवं विश्वविद्यालय के जनसंपर्क अधिकारी भूपेंद्र नारायण सिंह रहे। संबोधन के दौरान डॉ मयंक ने राष्ट्र के उत्थान में मतदान क्यों आवश्यक है पर अपनी बात स्वयंसेवकों के बीच रखी तो दूसरी

तरफ विश्वविद्यालय पि.आर ओ भूपेंद्र सिंह ने मताधिकार राष्ट्र के उत्थान में कितना आवश्यक है, पर गहन चर्चा किए। मुख्य वक्ता के रूप में राष्ट्रीय सेवा योजना कार्यक्रम में लगभग 120 से अधिक प्रतिभागियों ने भाग लिया।

कार्यक्रम का संचालन राष्ट्रीय सेवा योजना प्रौद्योगिकी संस्थान के कार्यक्रम अधिकारी डॉ अरूप केडिया ने किया। कार्यक्रम को आखिरी रूप देते हुए धन्यवाद ज्ञापन संस्थान डीन प्रोफेसर डॉ अरुणा डे ने किया।

**10 MARCH 2024**  
10 AM TO 01 PM

*Our Limited Speakers*

**Topic: Data Security**  
**Prof. Marianna Milanova**  
Professor, University of Arkansas at Little Rock, USA.

**Topic: Application of Computing in Modern Engineering**  
**Prof. Jerzy Szymanski**  
Professor, Faculty of Transport, Electrical Engineering and computer science, Randon University, Poland

**Topic: Image and Signal Processing**  
**Prof. J. K Mandel**  
Professor, Ex-VC, Ranigun University Computer Science and Engineering, Kalyani University, WB

**LUNCH – 01:00 PM TO 02:00 PM**

**Topic: Hands on Cyber Security, Risk assessment and Mitigation**  
**Mr. Shashank Dubey**  
Cloud security Engineer and corporate trainer

**11 MARCH 2024**  
10 AM TO 01 PM

**INAUGURATION BY CHIEF GUEST**  
**INAUGURAL SPEECH**  
**GUEST OF HONOUR**  
**Padam Shree Dr. Sahjanand Singh**  
President IMA, INDIA

**LUNCH – 01:00 PM TO 02:00 PM**

**Topic: Cyber Security and Cryptology**  
**Prof. Bimal Kumar Roy**  
Padamshree 2015 (Govt. of India)  
Professor, Former Director of Indian Statistical Institute, Kolkata.

**Topic : Digital Transformation for Sustainable Women Development**  
**Prof. (Dr.) A K Nayak**  
Po. Chancellor  
The Global Open University Nagaland  
Former President Computer Society of India  
Advisor IIBM Group

**Oral Presentation**  
04:30 PM – 04:45 PM

**Poster Presentation**  
04:45 PM – 05:00 PM

**12 MARCH 2024**  
8:30 AM TO 10 AM

**Topic: Power Optimization using Software**  
**Prof. (Dr.) Marta Zurek Mortka**  
Senior Research in the Department of Control System, Lukaszewicz Research Network Institute for Sustainable Technologies, Randon, Poland.

**Topic: Social Enigneering**  
**Dr. Rashmi Shekhar**  
Associate Professor & Assistant Director, Amity University Patna

**Plenary Session**  
10:00 AM – 01:00 PM

10:00 AM – 01:00 PM

**Oral Presentation**  
10:00 AM – 11:30 AM

**Poster Presentation**  
11:30 AM – 01:00 PM

11:30 AM – 01:00 PM

**LUNCH – 01:00 PM TO 01:30 PM**

*Valedictory*  
1:30 TO 4:30 PM

## POSTER PRESENTATION

Poster size should be 36 inches X 48 inches (■). Poster boards / wall will be provided to mount your posters. Title of the poster should appear at the top (24 font size or higher). The author(s) name(s) and affiliation(s) should be mentioned below the title and text should be written with 18 font size. Presenting authors name should be underlined. Figures should be large enough to be clearly visible and of high quality.

## ORAL PRESENTATION

Oral Presentation is designed to encourage young researchers to present their research findings to the scientific forum. All presentations will start and stop as per the scheduled time. Please focus on the essence and innovation of your research and eliminate introduction, literature review and lengthy discussion. Please do not read your slides.

## CONTACT DETAILS

## ABOUT FACULTY OF INFORMATION TECHNOLOGY

The Faculty of Information Technology, Gopal Narayan Singh University, has created outstanding, young people who had been trained and had made their mark in the software industry. The Faculty of Information Technology has always been on a strong growth trajectory to keep up with the major academic specialties and industrial trends. The faculty members are well qualified academicians from across India holding PhDs from premier institutes of India. The Faculty of Information Technology offers undergraduate courses in BCA and B.Tech (CSE) and postgraduate courses in MCA and PhD (CSE).

## ABOUT CONFERENCE & WORKSHOP

The Faculty of Information Technology is organizing a one day hands on workshop on "Cyber Security Risk Assessment and Mitigation". It will be conducted on 10<sup>th</sup> March 2024 by the expert from industry as well as academia.

The themes of this workshop are listed below-

- Ethical Hacking
- Social Engineering
- Cryptography
- Network and Information Security
- Risk Assessment and mitigation

## IIT Mandi Catalyst Workshop on New Business Plan

The **IIT Mandi Catalyst Workshop on New Business Plan**, held at **Gopal Narayan Singh University (GNSU)**, was a two-day hands-on training program aimed at nurturing entrepreneurial thinking and innovation among students and faculty members. Organized jointly by **IIT Mandi Catalyst**, the Technology Business Incubator of IIT Mandi, and **GNSU's Department of Management and Entrepreneurship Development Cell**, the workshop focused on **designing value propositions and developing viable business models**. The program guided participants through the key stages of creating a successful startup plan — from ideation and customer need identification to business model development and market validation. Participants worked in interactive groups to refine their startup ideas, applying structured frameworks such as the **Business Model Canvas**. The workshop also highlighted the pathways for selected ideas to receive mentoring and incubation support from IIT Mandi Catalyst, thus bridging the gap between academic learning and real-world entrepreneurship. The event successfully fostered creativity, teamwork, and entrepreneurial confidence among students, empowering them to think beyond traditional career paths and pursue innovation-driven ventures. Overall, the collaboration between IIT Mandi Catalyst and GNSU proved to be a significant step toward promoting a vibrant startup ecosystem within the university.
