To

The Vice-Chancellor
(Universities of MoU signed for Shodhganga)

Dear Sir/Madam,

Warm greetings from the INFLIBNET Centre and best wishes in advance for the New Year!

Kindly refer to the MoU signed between your University and INFLIBNET Centre for Shodhganga/Shodhgangotri). <http://shodhganga.inflibnet.ac.in/newmoredetails/mou.html>.

The MoU format and content were established 14-15 years ago when the Centre initiated the project Shodhganga (*a reservoir of Indian Theses*) based on the UGC Notification on (Minimum Standards & Procedure for Award of M.Phil/Ph.D. Degree) Regulations, 2009 dated 1st June, 2009. The responsibilities were given under the University and INFLIBNET Centre.

Kindly note that significant changes were introduced thereafter by the UGC in 2016 and 2022 as well as new Notification regarding Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulation, 2018. In response to the evolving needs of the academic community, DRM issues and Policy changes at the national level a newly constituted Shodhganga National Steering Committee (SNSC) has reviewed the existing MoU and recommended necessary amendments.

We kindly request you to sign the Amendment on the MoU signed earlier, keeping one copy for your records and sending the signed one with the official seal to the INFLIBNET Centre for our records.

With Regards,

Prof. Devika P. Madalli

Subject: Launch of राष्ट्रीय e-पुस्तकालय (Rashtriya e-Pustakalaya) Mobile application

Dear Students,

Greetings!

I am pleased to inform you that the, Ministry of Education, has launched राष्ट्रीय e-पुस्तकालय (Rashtriya e-Pustakalaya), a National Digital Library for youth on the 10th of February 2024.

राष्ट्रीय e-पुस्तकालय (Rashtriya e-Pustakalaya) is a pioneering initiative, offering a digital library that serves as a national repository of knowledge and stories, specifically curated for children and adolescents. By providing seamless access to such online content, the aim is not only to develop a habit of reading and instill a sense of pride and curiosity among young Indians regarding their heritage and achievements but also to act as a knowledge hub for the younger generations.

This digital library facilitates availability of quality books across geographies, languages, genres and levels, and enables device agnostic accessibility. The Digital Library consists of non-academic books for children and adolescents categorized in four age groups i.e., 3-8, 8-11, 11-14, and 14-18 years respectively. The books cover different genres for children and adolescents like fiction, non-fiction, biographies, poetry, classics, comics, novels, etc. The repository of books in राष्ट्रीय e-पुस्तकालय (Rashtriya e-Pustakalaya) focuses on history, culture, scientific achievements, and other significant facets of India.

An App has been developed for the initiative, which currently hosts over 1000 books sourced from 46 publishers, encompassing in 23 languages, and spanning across 13 genres. The link for downloading the App is given below for both Android and iOS:

Android: <https://play.google.com/store/apps/details?id=national.digital.library>**iOS:** <https://apps.apple.com/in/app/rashtriya-e-pustakalaya/id6475687147>
