## Workshop Report: Enhanced Skill-Based Teaching Methodology for NPIAS Faculty

Date: 8th October 2023

Time: 10:00 AM - 3:00 PM

Location: GNSU (Conference Room)

Organized for: Faculty of NPIAS (Narayan Paramedical Institute And Paramedical Sciences)

### Executive Summary:

This report summarizes the workshop on "Enhanced Skill-Based Teaching Methodology" conducted for the faculty of NPIAS at GNSU on October 8th, 2023. The workshop, facilitated entirely by Dr. Ajay Kumar, aimed to equip faculty members with contemporary pedagogical approaches, focusing on practical skills development and student engagement. The sessions covered various aspects of skill-based teaching, including curriculum design, interactive teaching strategies, assessment techniques, and the integration of technology. The workshop was well-received, with participants actively engaging in discussions and activities.

### Objectives:

- To introduce faculty to the principles and practices of skill-based teaching.
- To enhance faculty's ability to design and implement skill-focused curricula.
- To equip faculty with interactive teaching strategies that promote student engagement and active learning.
- To explore effective assessment techniques for evaluating skill development.
- To facilitate the integration of technology into teaching and learning processes.
- To foster a collaborative environment for sharing best practices and innovative ideas.

### Workshop Schedule:

Time	Session	Facilitator (Dr. Ajay Kumar)	Description
10:00 - 10:30 AM	Registration and Inaugural Address	Dr. Ajay Kumar	Registration of participants, welcome address, introduction to the workshop objectives, and a brief overview of the importance of skill-based teaching in modern education.
10:30 - 11:30 AM	Principles and Frameworks of Skill-Based Curriculum Design	Dr. Ajay Kumar	Exploration of theoretical frameworks for skill-based education, practical strategies for designing curricula that align with industry needs, and methods for identifying and defining essential skills.

Jamuhar, Sasaram, Rohtas (Bihar)

11:30 - 12:30 PM	Interactive Teaching Strategies for Skill Development	Dr. Ajay Kumar	Hands-on session focusing on active learning techniques, including problem-based learning, project-based learning, case studies, simulations, and group activities. Emphasis on creating engaging and interactive learning environments.
12:30 - 1:00 PM	Lunch Break		Networking and informal discussions among participants.
1:00 - 2:00 PM	Assessment and Evaluation of Skill-Based Learning Outcomes	Dr. Ajay Kumar	Discussion of various assessment methods, including performance-based assessments, rubrics, portfolios, and peer evaluation. Strategies for providing constructive feedback and measuring the effectiveness of skill development programs.
2:00 - 2:45 PM	Integrating Technology into Skill-Based Teaching and Learning	Dr. Ajay Kumar	Exploration of digital tools and platforms that can enhance skill development, including online simulations, virtual labs, e-portfolios, and collaborative learning platforms. Discussion on the ethical considerations of using technology in education.
2:45 - 3:00 PM	Q&A, Feedback, and Closing Remarks	Dr. Ajay Kumar	Open forum for participants to ask questions, provide feedback, and share their reflections. Concluding remarks and vote of thanks.

#### Key Outcomes and Observations:

- The workshop provided a platform for faculty members to learn about and discuss contemporary teaching methodologies.
- Participants demonstrated a strong interest in incorporating practical skills into their teaching practices.
- The interactive sessions were highly appreciated, as they allowed for hands-on learning and collaborative problem-solving.
- The session on technology integration highlighted the importance of leveraging digital tools to enhance skill development.
- Faculty members expressed a desire for further training and resources on specific skill-based teaching techniques.
- Feedback was collected from the participants in order to improve future workshops.

#### Recommendations:

- Conduct follow-up workshops or training sessions, led by Dr. Ajay Kumar, to provide in-depth training on specific skill-based teaching methodologies.

- Develop a resource repository containing practical tools, templates, and best practices for skill-based teaching.
- Facilitate ongoing collaboration and knowledge sharing among faculty members through online forums or communities of practice.
- Encourage faculty members to incorporate skill-based teaching approaches into their lesson plans and curricula.
- Provide access to technology and the training required for faculty to utilize it.

#### Conclusion:

The workshop on "Enhanced Skill-Based Teaching Methodology," facilitated by Dr. Ajay Kumar, was a successful initiative that provided valuable insights and practical strategies for NPIAS faculty. The workshop contributed to the ongoing efforts to improve the quality of education and prepare students for the demands of the modern workforce. Continued support and resources will be essential to ensure the effective implementation of skill-based teaching practices at NPIAS.

## Workshop on Open Access Publishing

### Event Overview

The Workshop on Open Access Publishing was organized by Gopal Narayan Singh University (GNSU) in collaboration with the Central University of Himachal Pradesh on June 8, 2024. This event was part of an initiative supported by ORFG under the Seed Award Program. The venue for the workshop was the Conference Hall, Deo Mangal Sabhagar, GNSU, Jamuhar, Rohtas, Bihar.

The workshop aimed at educating faculties and scholars on Open Access Publishing, covering key aspects such as Open Science, UNESCO values, publishing models, licensing, and journal indexing.

### Registration & Participation

The registration was free for faculties and scholars.

An E-Certificate was provided to all participants.

The last date for registration was May 31, 2024.

Total Participants - 192

### Topics Covered in the Workshop

The workshop consisted of four technical sessions, each led by an expert in the field:

1. Why Open Access? – Led by Dr. Mohit Garg (IIT Delhi)
2. Publishing Integrity – Led by Dr. Ranjeet Kumar Singh (NIAMT Ranchi)
3. Open Journal System – Led by Dr. Mohit Garg (IIT Delhi)
4. DOAJ (Directory of Open Access Journals) – Led by Ms. Priya (DOAJ Expert)

Event Coordinator - Dr. Amit Kumar Singh, Asst. Professor, DJMC, GNSU

The sessions provided insights into open access principles, integrity in publishing, journal software, and indexing in DOAJ.

### Program Schedule

Inaugural Session: 9:30 AM – 10:00 AM

Technical Sessions: Conducted between 10:00 AM and 4:30 PM, with breaks for discussion and refreshments.

Online Quiz: A quiz was held at 4:30 PM, where three winners were awarded prizes.

Valedictory and Feedback Session: 5:01 PM

### Key Takeaways

Participants gained an understanding of ethical publishing, indexing, and the importance of open access. The workshop encouraged faculties and researchers to adopt open access models for greater knowledge dissemination.

Practical insights into using Open Journal System (OJS) for managing and publishing research.

### Conclusion

The Workshop on Open Access Publishing was a successful event that provided valuable learning opportunities for scholars and faculties. The engagement, expert sessions, and discussions helped participants enhance their understanding of open access publishing and research integrity.

## गोपाल नारायण सिंह विश्वविद्यालय में ओपन एक्सेस पब्लिशिंग पर कार्यशाला

सासाराम (रोहतास)। गोपाल नारायण सिंह विश्वविद्यालय ने 8 जून 2024 को विश्वविद्यालय के कॉन्फ्रेंस हॉल में ओपन रिसर्च फंडर्स ग्रुप (ओआरएफजी) द्वारा प्रायोजित हिमाचल प्रदेश केंद्रीय विश्वविद्यालय के सहयोग से अकादमिक समुदाय के लिए ओपन एक्सेस पब्लिशिंग पर कार्यशाला आयोजित की। कार्यक्रम हाइब्रिड मोड में था, जिसमें देश भर विश्वविद्यालयों से 185 लोगों ने अपना पंजीकरण कराया था, जिसमें 55 ऑफलाइन मोड में और 78 ऑनलाइन मोड में थे। कार्यक्रम का उद्घाटन विश्वविद्यालय के कुलपति प्रोफेसर एम.के. सिंह ने किया और कार्यक्रम की अध्यक्षता कला संकाय के डीन प्रोफेसर राकेश वर्मा ने की।

परीक्षा नियंत्रक प्रोफेसर आलोक प्रताप ने इस प्रकार की कार्यशाला के लिए सभी अकादमिक विरादरी की सराहना की। सुश्री मोनिका सिंह मुख्य अतिथि थीं, जिन्होंने गोपाल नारायण सिंह विश्वविद्यालय में इस तरह के कार्यक्रम के आयोजन के लिए विषेशज्ञों का स्वागत किया। कार्यशाला का परिचय कार्यशाला के विश्वविद्यालय समन्वयक डॉ. अभित कुमार सिंह ने दिया, जिन्होंने विशेषज्ञ व्यक्तियों का

परिचय दिया और इस कार्यशाला के संचालन के लिए गोपाल नारायण सिंह विश्वविद्यालय को चुना।

यह कार्यशाला बिहार में गोपाल नारायण सिंह विश्वविद्यालय में ही सीड अवार्ड प्रोग्राम के तहत आयोजित की गई। कार्यशाला में कुल चार तकनीकी सत्र थे, जो प्ररनोत्तरी और प्रतियोगिताओं के साथ समाप्त हुए। ओपन एक्सेस प्रकाशन पर कार्यशाला का उद्देश्य विद्वानों और

शोधकर्ताओं को उपकरणों से सशक्त बनाना और डिजिटल युग में विद्वानों के संचार की दुनिया को मान्यता प्रदान करना है। इस कार्यशाला का उद्देश्य ओपन एक्सेस और ओपन साईस को बढ़ावा देने के लिए समर्पित एक विद्वान समुदाय का निर्माण करना है, जो ओपन एक्सेस प्रकाशन के सिद्धांतों और प्रथाओं के बारे में सदस्यों को शिक्षित करने पर ध्यान केंद्रित करेगा। कार्यशाला के विशेषज्ञ भारतीय प्रौद्योगिकी संस्थान, नई दिल्ली से डॉ. मोहित गर्ग और राष्ट्रीय उन्नत विनिर्माण प्रौद्योगिकी संस्थान, रांची से डॉ. रंजीत कुमार सिंह थे, जिन्होंने ओपन एक्सेस, प्रकाशन अखंडता, ओपन जर्नल सिस्टम, डीओएजे पर अपना व्याख्यान दिया।

## पानी के अभाव में मवेशियों को लेकर पशु पालक परेशान

कैमूर (ज्ञानशिखा टाइम्स)। जिला के अधौरा प्रखंड अंतर्गत मवेशियों को पीने के लिए सरकार द्वारा सौर ऊर्जा पर आधारित लगाए गए पेयजल योजना अधौरा प्रखंड के सड़की एवं सारोदाग लगाया गया है। उक्त योजना मरम्मत के अभाव में खराब होने के कारण मवेशियों के पीने के लिए पानी के लिए तरसना पड़ रहा है। संवेदक द्वारा इस प्लांट के नाम पर लाखों रुपया वर नारा कर लिया गया है। लेकिन इसका लाभ आम ग्रामीणों तक नहीं मिलता है। इस संबंध में अधौरा प्रखंड के युवा समाजसेवी राजगिरी यादव ने पीएचईडी विभाग के स्कूटी इंजीनियर एवं जिला पदाधिकारी कैमूर से जांच कर प्लांट को तत्काल चालू कराने की मांग की है। ताकि गरीब व असहाय पशुपालकों के मवेशियों को पानी मिल सके।

**Subject:** Office Order for Conducting a Training Program on Lab Record Maintenance for Non-Teaching Staff

It is hereby informed that Narayan Institute of Pharmacy will be organizing a Training Program on Lab Record Maintenance in Pharmacy Lab for the professional development of non-teaching staff, including laboratory technicians.

The details of the program are as follows:

**Topic:** Lab Record Maintenance in Pharmacy Lab

**Date:** 15th September 2023

**Venue:** Narayan Institute of Pharmacy

**Resource Persons:**

**Mr. Vinod Kumar Singh, Assistant Professor**

**Mr. Raj Rajeshwar, Assistant Professor**

**Purpose of the Program:**

- The objective of the training program is to equip the non-teaching staff with essential knowledge and skills related to:
- Proper maintenance and documentation of laboratory records.
- Adherence to Good Laboratory Practices (GLP) and regulatory standards.
- Error-free management of lab data and ensuring compliance with audit requirements.

**Instructions:**

- All non-teaching staff, including laboratory technicians and assistants, are directed to attend the training program without fail.
- Department Heads are requested to ensure the presence of concerned staff members for the session.
- Attendance is mandatory, and the participation record will be maintained for official reference.

**For Compliance:**

- This order is issued with the approval of the Dean, Narayan Institute of Pharmacy. All concerned staff members are requested to comply with the instructions and actively participate in the training program.

## REPORT ON LAB RECORD MAINTENANCE TRAINING PROGRAM FOR NON-TEACHING STAFF

Organized by: Narayan Institute of Pharmacy

Date: 15th September 2023

Topic: Lab Record Maintenance in Pharmacy Lab

Training Facilitators:

- Mr. Vinod Kumar Singh, Assistant Professor
- Mr. Raj Rajeshwar, Assistant Professor

### INTRODUCTION

The Narayan Institute of Pharmacy (NIOP) organized a **Training Program on Lab Record Maintenance in Pharmacy Lab** on **15th September 2023** to enhance the knowledge and efficiency of non-teaching staff, particularly laboratory technicians. The primary aim of the program was to equip participants with the necessary skills to maintain laboratory records accurately and ensure compliance with regulatory guidelines.

### OBJECTIVES OF THE TRAINING

The key objectives of the training program were:

- ✓ To impart knowledge on the importance of maintaining accurate and complete lab records.
- ✓ To familiarize lab technicians with standard procedures for documenting experiments, instrument usage, and calibration data.
- ✓ To ensure compliance with Good Laboratory Practices (GLP) and other regulatory standards.
- ✓ To enhance the ability of non-teaching staff to manage and safeguard critical lab data.

### SESSION HIGHLIGHTS

#### 1. Inaugural Session

The program began with a **welcome address** by Prof. Dr. Dharmendra Kumar, Principal, Narayan Institute of Pharmacy, who emphasized the critical role of lab record maintenance in ensuring data integrity, reproducibility, and regulatory compliance in pharmaceutical research.

#### 2. Technical Session I: Importance and Guidelines for Lab Record Maintenance

Speaker: Mr. Vinod Kumar Singh, Assistant Professor

- Introduction to the significance of maintaining accurate and detailed lab records.
- Overview of essential documentation, including logbooks, calibration records, instrument usage logs, and SOP compliance.

### 3. Technical Session II: Practical Demonstration on Record Management and Documentation

Speaker: Mr. Raj Rajeshwar, Assistant Professor

- Hands-on training on maintaining laboratory notebooks, calibration records, and sample logs.
- Demonstration of proper techniques for recording experimental data and managing deviations.
- Guidance on error prevention, data correction procedures, and maintaining audit trails.

### 4. Interactive Q&A Session

The training concluded with an **interactive Q&A session**, where participants had the opportunity to seek clarification on record-keeping practices, data integrity, and troubleshooting documentation errors. The resource persons addressed all queries effectively, further enhancing participants' understanding.

### PARTICIPANTS

The training program was attended by over **15 non-teaching staff members**, including laboratory technicians, assistants, and support staff. Their active participation and engagement contributed to the success of the event.

### OUTCOME AND FEEDBACK

The training program was highly effective in improving the knowledge and skills of the participants in maintaining lab records with accuracy and diligence. The feedback collected from the participants highlighted their increased confidence in handling laboratory documentation and ensuring compliance with established protocols.

#### ✓ Key Takeaways:

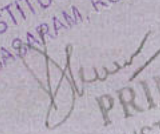

- Better understanding of lab record-keeping protocols and regulatory requirements.
- Strengthened documentation practices to ensure data accuracy and integrity.
- Improved efficiency in managing lab records and maintaining audit readiness.

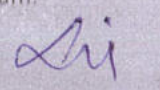

### CONCLUSION

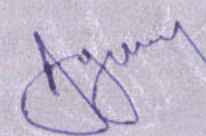

The **Lab Record Maintenance Training Program** conducted by **Narayan Institute of Pharmacy** was a valuable initiative aimed at empowering non-teaching staff with the knowledge and skills to maintain laboratory records effectively. The expertise shared by **Mr. Vinod Kumar Singh** and **Mr. Raj Rajeshwar** provided the participants with practical insights into improving record management practices, ensuring compliance with GLP standards, and safeguarding data integrity.

The event concluded with a **vote of thanks** delivered by **Mr. Sahil Kumar**, Senior Lab Technician, who expressed gratitude to the resource persons, participants, and the organizing committee for their contributions to the success of the program.

## REPORT ON GOOD LABORATORY PRACTICES (GLP) TRAINING PROGRAM FOR NON-TEACHING STAFF

Organized by: Narayan Institute of Pharmacy

Date: 20th November 2023

Topic: Good Laboratory Practices (GLP) in Pharmacy Lab

Training Facilitators:

- Dr. Manish Singh, Assistant professor
- Dr. Rajeev Ranjan, Assistant Professor

### INTRODUCTION

The Narayan Institute of Pharmacy (NIOP) organized a **Training Program on Good Laboratory Practices (GLP)** on **20th November 2023** for the professional development of non-teaching staff, including laboratory technicians. The objective of the program was to equip the participants with essential knowledge and skills to maintain high standards in laboratory procedures and ensure compliance with regulatory guidelines.

### OBJECTIVES OF THE TRAINING

The training was designed with the following objectives:

- ✓ To familiarize non-teaching staff with the principles of GLP.
- ✓ To improve laboratory management practices, ensuring accuracy and reliability in experiments.
- ✓ To enhance knowledge of equipment maintenance, documentation, and data integrity.
- ✓ To ensure safety compliance and minimize errors in laboratory operations.

### SESSION HIGHLIGHTS

#### 1. Inaugural Session

The training session commenced with a welcome address by **Prof. Dr. Dharmendra Kumar**, Principal, Narayan Institute of Pharmacy, who highlighted the significance of GLP in maintaining the integrity and quality of laboratory data.

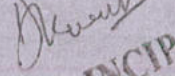

#### 2. Technical Session I: Introduction to GLP and Regulatory Guidelines

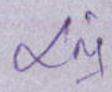

Speaker: Dr. Manish Singh, Assistant professor

- Overview of GLP principles and their importance in ensuring laboratory accuracy and compliance.
- Discussion on international regulatory standards such as OECD, WHO, and ICH guidelines.
- Emphasis on the need for proper documentation and adherence to SOPs (Standard Operating Procedures).

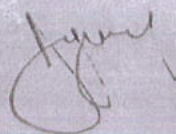

#### 3. Technical Session II: Practical Implementation of GLP in Laboratories

**Speaker:** Dr. Rajeev Ranjan, Assistant Professor

- Hands-on demonstration of proper sample handling, record-keeping, and calibration techniques.
- Guidelines on maintaining lab notebooks, managing reagents, and ensuring data integrity.
- Importance of quality control and safety measures in a laboratory setting.

#### 4. Interactive Q&A Session

The session concluded with an engaging **Q&A session** where participants sought clarifications on the practical aspects of implementing GLP. The speakers addressed all queries effectively, enriching the understanding of the attendees.

---

#### PARTICIPANTS

The training program was attended by over **12 non-teaching staff members**, including laboratory technicians and assistants, who actively participated in the discussions and practical demonstrations.

---

#### OUTCOME AND FEEDBACK

The training program successfully enhanced the knowledge and skills of the participants, equipping them to implement GLP principles in their daily activities. The feedback received was highly positive, with participants acknowledging the relevance and practical applicability of the training.

#### ☒ Key Takeaways:

- Better understanding of GLP protocols and procedures.
- Strengthened documentation and quality control practices.
- Enhanced laboratory safety and efficiency.

---

#### CONCLUSION

The **GLP Training Program** organized by **Narayan Institute of Pharmacy** was a highly impactful initiative aimed at enhancing the efficiency and compliance of laboratory practices. The expertise shared by **Dr. Manish Singh** and **Dr. Rajeev Ranjan** provided the participants with a deeper understanding of GLP, which will contribute significantly to maintaining high standards in the laboratory.

The event concluded with a **vote of thanks** delivered by **Mr. RAVI KUMAR**, Senior Lab Technician, expressing gratitude to the resource persons, participants, and the organizing committee for their contribution to the program's success.

## Report on Workshop: "Expediting Drug Discovery with Artificial Intelligence"

Date: 4<sup>th</sup> march 2023

Narayan Institute of Pharmacy successfully organized an insightful workshop on "**Expediting Drug Discovery with Artificial Intelligence**" on 4th March 2023. The event was graced by the esteemed guest speaker, **Dr. Rajnish Kumar**, Associate Professor, Department of Pharmaceutical Engineering & Technology, IIT (BHU), Varanasi, who shared his vast knowledge and expertise in the field of pharmaceutical research and artificial intelligence.

The workshop commenced with an engaging introduction to **Artificial Intelligence (AI)** and **Molecular Docking**, highlighting their transformative roles in drug discovery. Dr. Rajnish Kumar elaborated on how AI can be leveraged in pharmaceutical research to expedite drug development processes, enhancing accuracy and efficiency. His insights provided participants with a clear understanding of the potential of AI in revolutionizing drug discovery.

The event was structured into two enriching sessions:

- **Session 1:** Hands-on training in drug discovery using Artificial Intelligence, where participants learned practical applications and techniques to accelerate research and innovation.
- **Session 2:** Practical training in **Molecular Docking** using **Computer-Aided Drug Design (CADD)**, providing an immersive experience in virtual simulations for drug-target interactions.

The workshop witnessed enthusiastic participation from **60 attendees, faculty members** from various colleges. It provided a unique platform for learning cutting-edge technologies, fostering innovation, and enhancing research capabilities in pharmaceutical sciences.

The event concluded with a vote of thanks, expressing heartfelt gratitude to **Dr. Rajnish Kumar** for his invaluable contributions and to all the participants for their active involvement and enthusiasm. The workshop was a grand success, reflecting Narayan Institute of Pharmacy's commitment to advancing knowledge and promoting innovation in the field of pharmacy.

(Dated: 10,11&12<sup>th</sup> March 2024)

Hosted by Gopal Narayan Singh University.

The objective of this conference was to materialize Industry and Research relations, perceiving global partners for future collaborations and exchange of new ideas and application experiences. By creating opportunities for conversation between academics and thought leaders, ICMWR provides the research directions and visionary development solutions that are necessary in our rapidly emerging globalized world. A lot of foreign and Indian students, research scholars, and faculty members participated in this conference.

A webinar was conducted on 30th August 2023 by Dr. Sourabh Kosey from ISF College of Pharmacy, Moga, Punjab. The session focused on the evolving role of Pharm D in modern healthcare, emphasizing its significance in clinical settings. Dr. Kosey highlighted how the Pharm D curriculum is shaping the future of clinical pharmacy practice, marking a significant paradigm shift in the 21st century.

## 2. Webinar on 'Impact of Microfluidic Techniques in Modern Analysis' (09 Sep 2023):

Dr. Rohit Bhatia from ISF College of Pharmacy, Moga, Punjab, led a webinar on 9th September 2023, discussing the role of microfluidic techniques in modern analytical practices. He explored the applications of these advanced techniques in pharmaceutical research, enabling more precise and efficient analysis in drug development and diagnostics.

## 3. Webinar on 'A Talk on Pharmacovigilance' (23 Sep 2023):

On 23rd September 2023, Dr. Vinod Tiwari from IIT (BHU), Varanasi, delivered a webinar on pharmacovigilance. He explained the importance of monitoring the safety of pharmaceuticals post-market release, discussing key methods in drug safety assessment and the role of healthcare professionals in ensuring patient well-beings.

The inaugural session was started on 16th September, 2022 at 10.00 am with welcoming the chief guest, chief patron, guest of honor, patrons, university officials, esteemed delegates and participants. The dignitaries were welcomed with flower bouquet as a token of love.

Conference Convener, **Prof. Dr. Dharmendra Kumar** in his speech welcomed the honored guests, dignitaries and delegates. He explained about the theme of the conference and its importance in the current era. Prof. Dharmendra Kumar also provided details of registration, resource persons and lectures to be delivered in various sessions. A total of **508 registrations** were confirmed on the date of the conference. About **50 deans, directors, principals and faculty members** had arrived from other institutions. A total of **14 resource persons** came to deliver lectures/speaker sessions in various plenary sessions. A total of **28 oral** and **35 poster presentations** were made by the participants in the scientific sessions.

The chief patron, **Shri Gopal Narayan Singh**, Hon'ble Chancellor, GNSU addressed our participants and delegates by sharing his knowledge and expertise. The chief guest **Dr. Montukumar M. Patel**, President, PCI, New Delhi shared his view for pharmacy education and practices. He shared his vision about pharmacy Practice and called for the implantation of the Pharmacy Practice Act, 2015. Along with this, the guest of honor **Dr. Deependra Singh**, Chairman, Education Regulation Committee, PCI, New Delhi also told about the policies to be included for the betterment of teaching, learning and research in pharmacy. ## Report on Quiz Competition Held on National Statistics Day 29 June 2023

**Introduction:** On the occasion of National Statistics Day, a quiz competition was organized for the faculty members to commemorate the contributions of statistics in various fields. The event aimed to enhance awareness about statistical applications and encourage a spirit of learning and collaboration among the faculty.

**Event Details:** The competition was held on 29.06.2023 at Narayan Institute of Agricultural Sciences and was attended by faculty members from various departments. The event commenced with an inaugural address by Director, NIAS and highlighting the significance of statistics in academia and research. The quiz competition was structured in multiple rounds, including general statistics knowledge, applications in research, and real-world case studies

**Format of the Quiz:** The quiz comprised three rounds:

1. **Preliminary Round:** A written test with multiple-choice questions related to basic statistical concepts.
2. **Main Round:** A buzzer round covering advanced statistical techniques and applications.
3. **Final Round:** A case-study analysis where teams had to interpret statistical data and derive meaningful insights.

**Participation and Performance:** Faculty members participated with great enthusiasm, forming teams of two to three members. The competition witnessed active engagement, with teams showcasing their analytical skills and problem-solving abilities. The final round was particularly engaging, with teams demonstrating their ability to analyze complex statistical data.

**Results and Awards:** The winners were announced at the end of the event, and prizes were distributed by Director, NIAS. The top three teams were awarded certificates and trophies for their outstanding performance. Special appreciation certificates were also given to participants for their commendable efforts.

**Conclusion:** The quiz competition on National Statistics Day was a resounding success, fostering knowledge-sharing and camaraderie among faculty members. The event underscored the importance of statistics in research and decision-making, inspiring faculty members to further explore statistical methodologies in their respective disciplines.

**Acknowledgments:** The organizing committee extends gratitude to all participants, the judging panel, and the supporting staff for their valuable contributions in making the event a memorable one.

## Report on World Honey bee day, 20<sup>th</sup> May -2024

### 1. Introduction

World Honey Bee Day, celebrated annually on the 20 May-2024, is an important event for raising awareness about the crucial role of honey bees in agriculture and ecosystems. This year, the Agriculture Institute hosted a range of events to celebrate and educate participants on honey bees' critical role in pollination, their environmental importance, and the challenges they face, such as habitat loss and pesticide exposure.

### 2. Objectives

The main objectives of the celebration were:

- To raise awareness about the importance of honey bees in agriculture and biodiversity.
- To educate students and faculty on bee-friendly practices.
- To demonstrate practical beekeeping and hive management techniques.

### 3. Event Highlights

#### a. Opening Ceremony

The celebration began with a welcome speech by the Director of the Agriculture Institute, who emphasized the need to protect honey bees as key pollinators in the agricultural sector. The Director highlighted the impact of honey bee decline on global food security and the role the Institute plays in fostering sustainable agricultural practices.

#### b. Expert Lectures and Panel Discussion

Experts from the fields of entomology and apiary studies conducted lectures covering:

- **The Role of Honey Bees in Agriculture:** Focused on how honey bees contribute to crop yields and biodiversity.
- **Threats to Honey Bees and Mitigation Efforts:** Covered topics such as pesticide use, climate change, and diseases affecting bee populations.
- **Beekeeping and Hive Management:** Provided insights into sustainable beekeeping practices, including hive setup, seasonal hive maintenance, and honey extraction.

The panel discussion allowed participants to ask questions and engage in discussions on the future of beekeeping and bee conservation strategies.

#### c. Beekeeping Demonstration

Coordinator  
IQAC (NAAC)  
Gopal Narayan Singh University  
Jamuahar, Sasaram, Rohtas (Bihar)

A live demonstration was organized in the institute's apiary area, where students and faculty observed beekeeping techniques and safe handling of bees. Topics covered included hive inspection, queen bee identification, and techniques for controlling pests within bee colonies.

#### d. Educational Stalls and Honey Tasting

Various stalls provided educational resources, including brochures on creating bee-friendly gardens, minimizing pesticide usage, and understanding bee biology. Additionally, a honey-tasting event allowed participants to sample different types of honey produced at the institute, showcasing the diversity of flavors based on floral sources.

### 4. Student Activities

- **Speech Competitions:** The institute organized competitions for students to express their ideas and creativity regarding honey bee conservation.

3<sup>rd</sup> Prize- Ashish Kumar

2<sup>nd</sup> Prize- Kunal Kumar

1<sup>st</sup> Prize- Nitin Nayan

### 5. Outcomes and Feedback

The event was a success, drawing attention to honey bees' indispensable role and providing practical knowledge to students, faculty, and faculty s. Attendees left with a deeper understanding of how individual and collective actions could support honey bee populations. Feedback from participants indicated a strong interest in more regular beekeeping workshops and educational seminars on sustainable agricultural practices

### 6. Conclusion

World Honey Bee Day 2024 at the Agriculture Institute was a meaningful event that effectively educated and engaged participants on honey bee conservation. By continuing to host such events, the institute aims to build an environmentally aware community and strengthen its commitment to sustainable agricultural practices.

### 7. Recommendations for Future Events

- Increase outreach to local faculty s and surrounding communities to broaden participation.
- Introduce a "Honey Bee Adoption Program" to support beekeeping as a student project.
- Plan for expanded collaborations with conservation organizations and government agencies for a greater impact.

**Subject: Office Order for Conducting a Training Program on Instrument Calibration in Pharmacy Lab for Non-Teaching Staff**

It is hereby informed that Narayan Institute of Pharmacy will be organizing a **Training Program on Instrument Calibration in Pharmacy Lab** for the professional development of non-teaching staff, including laboratory technicians.

The details of the program are as follows:

**Topic:** Instrument Calibration Training Program in Pharmacy Lab

**Date:** 16th August 2023

**Venue:** Narayan Institute of Pharmacy

**Resource Persons:**

- **Mr. Sashi Ranjan Singh**, Assistant Professor
- **Mr. Vedant Kumar Prajapati**, Assistant Professor

**Purpose of the Program:**

The objective of the training program is to provide non-teaching staff with essential knowledge and practical skills related to:

- Understanding the principles and significance of instrument calibration.
- Performing accurate calibration procedures for commonly used laboratory instruments.
- Ensuring compliance with Good Laboratory Practices (GLP) and regulatory standards.
- Maintaining calibration logs and documentation for audit readiness.

**Instructions:**

1. All non-teaching staff, including laboratory technicians and assistants, are directed to attend the training program without fail.
2. Department Heads are requested to ensure the presence of the concerned staff members for the session.
3. Attendance is mandatory, and the participation record will be maintained for official reference.

## REPORT ON INSTRUMENT CALIBRATION TRAINING PROGRAM FOR NON-TEACHING STAFF

Organized by: Narayan Institute of Pharmacy

Date: 16th August 2023

Topic: Instrument Calibration in Pharmacy Lab

Training Facilitators:

- Mr. Vedant Kumar Prajapati, Assistant Professor
- Mr. Sashi Ranjan Singh, Assistant Professor

### INTRODUCTION

The Narayan Institute of Pharmacy (NIOP) organized a **Training Program on Instrument Calibration in Pharmacy Lab** on 16th August 2022 to enhance the technical expertise of non-teaching staff, particularly laboratory technicians. The primary objective was to provide hands-on training and theoretical knowledge on the calibration of various instruments used in the pharmacy lab to ensure accuracy, reliability, and consistency in experimental outcomes.

### OBJECTIVES OF THE TRAINING

The key objectives of the program were:

- ✓ To impart knowledge on the importance and principles of instrument calibration.
- ✓ To train lab technicians on the calibration procedures of commonly used instruments in pharmacy labs.
- ✓ To ensure adherence to standard operating procedures (SOPs) and regulatory compliance.
- ✓ To enhance the efficiency of lab management and ensure the generation of accurate data.

### SESSION HIGHLIGHTS

#### 1. Inaugural Session

The event commenced with a **welcome address** by **Prof. Dr. Dharmendra kumar**, Principal, Narayan Institute of Pharmacy, who highlighted the significance of instrument calibration in ensuring the accuracy and consistency of experimental results in pharmaceutical research and analysis.

#### 2. Technical Session I: Fundamentals of Instrument Calibration

Speaker: Mr. Vedant Kumar Prajapati, Assistant Professor

- Introduction to the concept of calibration and its importance in maintaining instrument performance.
- Explanation of standard calibration techniques and error minimization.
- Overview of regulatory guidelines such as ISO/IEC 17025 and Good Laboratory Practices (GLP) related to calibration protocols.

### 3. Technical Session II: Practical Demonstration of Calibration Procedures

Speaker: Mr. Sashi Ranjan Singh, Assistant Professor

- Hands-on demonstration of calibration procedures for commonly used instruments such as:
  - UV-Visible Spectrophotometer
  - pH Meter
  - Analytical Balance
  - Dissolution and Disintegration Test Apparatus
- Explanation of error identification, troubleshooting, and documentation of calibration data.
- Best practices for maintaining calibration logs and ensuring equipment readiness for audits.

### 4. Interactive Q&A Session

The technical sessions were followed by an **interactive Q&A session** where participants sought clarification on calibration techniques and regulatory compliance. The facilitators provided detailed answers, enhancing participants' understanding and confidence in handling calibration tasks.

### PARTICIPANTS

The training program witnessed the enthusiastic participation of over **15 non-teaching staff members**, including laboratory technicians, assistants, and support staff. Their active involvement contributed to the success of the program.

### OUTCOME AND FEEDBACK

The training program significantly improved the competence of the participants in performing calibration procedures with greater accuracy and consistency. Feedback collected from the participants highlighted the relevance and practical applicability of the training, with many expressing a better understanding of calibration protocols and instrument handling.

#### ☒ Key Takeaways:

- Enhanced knowledge of calibration standards and procedures.
- Improved understanding of compliance with regulatory guidelines.
- Strengthened skills in maintaining accurate calibration records.

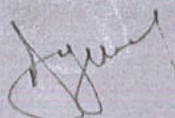

### CONCLUSION

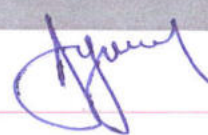

The **Instrument Calibration Training Program** organized by **Narayan Institute of Pharmacy** was a highly beneficial initiative aimed at equipping non-teaching staff with the necessary skills to maintain laboratory instruments effectively. The insights shared by **Mr. Vedant Kumar Prajapati** and **Mr. Sashi Ranjan Singh** helped the participants develop a deeper understanding of calibration protocols and ensure compliance with industry standards.

## सूचना

आप सभी विद्यार्थियों को सूचित किया जाता है कि कल दिनांक 12/01/2024, शुक्रवार को महान भारतीय रात एवं दार्शनिक स्वामी विवेकानंद जी के 161वीं जयंती पर हमारे कृषि संस्थान में "निबंध और भाषण प्रतियोगिता" का आयोजन किया जा रहा है।

निबंध एवं भाषण प्रतियोगिता के आधार निम्न रहेंगे तथा विद्यार्थी निम्नलिखित शिर्षकों में से कोई एक-एक शिर्षक पर निबंध एवं भाषण प्रतियोगिता में भाग ले सकता है-

### निबंध प्रतियोगिता

- ✓ युवा शक्ति: समर्थन, सृजनशीलता और नेतृत्व का संगम
- ✓ युवा: भविष्य का आधार
- ✓ युवा और शिक्षा: समृद्धि की कुंजी
- ✓ युवा और शिक्षा: समृद्धि की दिशा में भविष्य का निर्माण
- ✓ युवा और शिक्षा: नई पीढ़ी का योगदान

### भाषण प्रतियोगिता

- ✓ स्वामी विवेकानंद: आत्मा के उत्थान का प्रेरणा स्रोत
- ✓ स्वामी विवेकानंद: युवा पीढ़ी के प्रेरणा का स्रोत
- ✓ स्वामी विवेकानंद: आध्यात्मिक दर्शन और समाज में योगदान
- ✓ स्वामी विवेकानंद: योगदान और आदर्श
- ✓ स्वामी विवेकानंद: समाज के संदेशक

इस प्रतियोगिता में पहला, दूसरा और तीसरा स्थान प्राप्त करने वाले विद्यार्थी को गणतंत्र दिवस (26 जनवरी) के शुभ अवसर पर पुरस्कार एवं प्रमाण पत्र प्रदान किया जाएगा।

## Report on National Youth Day

**Introduction:** National Youth Day, celebrated annually on January 12<sup>th</sup> 2024 to honor the birth anniversary of Swami Vivekananda, was observed with great enthusiasm by the faculty members of our institution. The event aimed to reflect upon the values, ideals, and vision of Swami Vivekananda while encouraging the faculty to inspire and guide students towards holistic development.

### Program Highlights:

#### 1. Inauguration Ceremony:

- The event commenced with a welcome speech by the Director of NIAS, emphasizing the significance of National Youth Day and its relevance to the academic community.
- A floral tribute was offered to Swami Vivekananda's portrait, followed by a brief discourse on his contributions to education and youth empowerment.

#### 2. Guest Lecture:

- A distinguished speaker was invited to deliver a lecture on "Swami Vivekananda's Vision for Education and Character Building."
- The session highlighted the role of teachers in shaping young minds and fostering values of leadership, discipline, and resilience.

#### 3. Interactive Session:

- A panel discussion was organized where faculty members shared their perspectives on integrating Swami Vivekananda's philosophy into modern education.
- Participants discussed the importance of motivating students to embrace self-confidence, service, and ethical leadership.

#### 4. Workshops and Activities:

- A faculty development workshop focused on innovative teaching methods inspired by Swami Vivekananda's principles.
- Team-building activities and group discussions were conducted to reinforce the message of collaboration and mentorship.

#### 5. Cultural Presentations:

- Faculty members and students participated in recitations, skits, and musical performances that depicted the teachings and life events of Swami Vivekananda.

**Conclusion:** The celebration of National Youth Day for faculty proved to be a meaningful and enlightening experience. It reinforced the role of educators as catalysts for positive change and

### Workshop Title:

Two-Week Evening hands-on Workshop on “Machine Learning using Python and R Programming”

### About Workshop:

The Faculty of Information Technology at Gopal Narayan Singh University organized a two-week hands-on workshop on machine learning using Python and R programming. There are 125 participants who have successfully registered for this workshop. The main objective of this workshop was to create awareness among students and write high-quality research articles. Students learn basic and advanced Python and R programming, data science, and machine learning concepts, which help them overcome challenges and increase their confidence level. The workshop started on October 4, 2023, and continued until October 16, 2023. Participants showed full interest in shaping their skills. All eligible participants, including both students and faculty members, receive workshop participant certificates. Participants who secured a minimum of 60% attendance in this workshop received a certificate. We have provided each certificate with a unique reference number.

Dear Participants,

It is a great pleasure to inform you that your application for Two Weeks hands-on workshop on "Machine Learning using Python and R Programming" has been **ACCEPTED**. All participants are requested to kindly note the following rules:

- Only registered candidates are allowed in this workshop.
- Everyday attendance is mandatory.
- Participants are required to carry their laptop with appropriate power backup.
- Participants are advised to follow each session carefully and in case of any blockade, they are advised to proceed to the next step and at least take down the proceeding steps so that they can go back later and debug their errors and then execute the proceeding steps.

Following tools and technologies will be used during workshop:

- For Python Programming, Jupyter Notebook (<https://www.anaconda.com/download>)
- R and RStudio (<https://posit.co/download/rstudio-desktop/>)
- Rattle library (Optional)
- MikTex 2.9 (<https://miktex.org/download>)
- TeXstudio (<https://www.texstudio.org/>)

Participants are also advised to bring their own power extension cords as the number of participants are more in number than the charging facility available in the Seminar Hall.

Please note that the venue/ time of the workshop is Lecture Hall, 3<sup>rd</sup> Floor, FIT, Agriculture Building (Nearby Dean Office) / 3.00 PM to 5.30 PM

All successful registered participants can access the study notes and other workshop materials via following drive link: [https://drive.google.com/drive/folders/1npuhSa3U0boVw\\_09f6eevwa0RC3tsu2nqndrve\\_link](https://drive.google.com/drive/folders/1npuhSa3U0boVw_09f6eevwa0RC3tsu2nqndrve_link)

Thank you for being interested in this workshop.

For any queries, please contact Dr. Ajay Kumar, Associate Professor, FIT (9891367546, 9785123225)

## Report on World Health Day 2023

**Event:** World Health Day 2023

**Theme:** "Health for All"

**Organized By:** Department of Community Health Nursing, Narayan Nursing College, Jamuhar

**Date:** 8<sup>th</sup> April, 2023

### Introduction:

In line with the global observance of **World Health Day 2023**, the **Department of Community Health Nursing** organized a series of activities to raise awareness on the theme "**Health for All**". The event highlighted the significance of universal health coverage and the importance of investing in one's own health for a better future.

### Key Objectives:

- To promote awareness about the importance of health for all individuals.
- To engage nursing students in health-related activities that emphasize prevention, wellness, and health promotion.
- To encourage active participation from both faculty and students in health advocacy.

### Organizing Committee:

- **Dr. Prof. K. Latha** – Dean cum Principal
- **Dr. Shaveta Sharma** – Vice Principal
- **Dr. Lisy Joseph** – Head of Department, Community Health Nursing (CoHN)
- **Mr. Md. Rafi** – Organizer Secretary
- **Mr. Md. Umar Rathore** – Organizer Member
- **Special Mention:**
  - **Ms. Sweta Pandey, Ms. Jyoti Kumari, & Ms. Anju Singh** – Faculty of Nursing for their remarkable contributions in making the event a grand success.

### Special Acknowledgment:

- **Dr. Rahul Chandra**, Associate Professor, Department of Preventive & Social Medicine, NMCH, was warmly acknowledged for his valuable presence and support during the event.

- 2nd Position: Mr. Manish
- 3rd Position: Priya

### 2. Face Painting Competition:

- 1st Position: Ms. Amisha & Ms. Deeksha
- 2nd Position: Ms. Sneha & Ms. Priyanshu

### 3. Quiz Competition:

- 1st Position: Ms. Sonal, Ms. Surbhi, Ms. Priyanshu & Mr. Pratyush
- 2nd Position: Ms. Anushka, Mr. Neeraj, Mr. Sandeep & Mr. Shalu

### 4. Extempore Competition:

- 1st Position: Mr. Piyush
- 2nd Position: Mr. Anuj
- 3rd Position: Ms. Adarshani

## Conclusion:

The observance of **World Health Day 2023** was a remarkable success, thanks to the concerted efforts of the organizing team, faculty members, and active participation from the **GNM & Basic B.Sc. Nursing students**. The event not only raised awareness about the importance of health but also showcased the talents and dedication of the nursing community.

**Congratulations to all the winners and participants for their outstanding contributions and efforts!**

Ref. No. NBEMS/EDO/2023/4018

Dated: 07.11.2023

Subject: NBEMS CPR Awareness Programme on 6<sup>th</sup> December, 2023-reg.

Dear Dr. T. Dileep Kumar,

National Board of Examinations in Medical Sciences (NBEMS) is an Autonomous Body of Ministry of Health & Family Welfare, Government of India and is entrusted with the task of conducting examinations in the field of modern medicine on Pan India basis including NEET-PG, NEET-SS and NEET-MDS. NBEMS has also accredited more than 1300 hospitals with more than 14000 PG seats in various Broad and Super Specialty Courses.

As you are aware, cardiopulmonary resuscitation (CPR) is a life-saving technique that can be performed by anyone who has received proper training. CPR can restore blood flow and oxygen to the brain and other vital organs of a person who has suffered a cardiac arrest. Immediate CPR can significantly improve the chances of survival after suffering from cardiac arrest. Trained personnel can act quickly and confidently in an emergency situation, and potentially save a life.

As a commitment towards the society, NBEMS shall be organizing CPR Awareness Program on 6<sup>th</sup> December, 2023 at 09:30 A.M across the country to spread awareness and impart training to thousands of youths and non-medical personnel to administer CPR in a proper manner. The programme will comprise of a short video explaining the participants about the benefits of CPR and methodology to administer it. A doctor will be deputed by NBEMS at each venue to answer the queries of the participants. *Digital Certificate of participation shall be issued to all participants by NBEMS.*

I request active involvement of INC in NBEMS CPR Awareness Programme so that maximum public is benefited. I request your good office to:

- Inform all nursing colleges to participate in the NBEMS CPR Awareness Programme and to provide us the list of participating colleges. All staff and students may be asked to participate in the programme. The colleges may use their auditorium/lecture hall for display of the CPR video with good audio support. The web-page to access the video and further details shall be shared by NBEMS in due course.
- The list of participating nursing colleges may be informed to NBEMS at email id: [nbefaculty@natboard.edu.in](mailto:nbefaculty@natboard.edu.in) along with the contact details of nodal person who will coordinate with NBEMS. Please use the google form link

## Report on: "World Health Day, 2024"

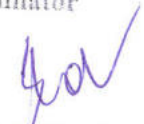

**Introduction:** A Webinar was conducted on the Observance of "World Health Day, 2024" on Theme- "My Health, My Right" which was organized by Department of Nursing Foundation, Narayan Nursing College in collaboration with ECHO India. ECHO sensitization program is organized for Nurses, Nursing Students & Faculties, in Bihar. The mode of training is Iecho (virtual Platform) which is to be conducted from 2 PM TO 4 PM on 8th April, 2024.

**Description:** The program was initiated timely with the Inaugural ceremony by the dignitaries of NNC. The welcome address was delivered to welcoming all the participants across India. The unfolding of theme was conducted by Dr. Shaveta Sharma, Vice Principal, and NNC for the event. Ms. Anila Goswami, Sr. Manager, Echo India delivered her introduction session on About Echo India after which the key note address was delivered by Dr. K. Latha, Dean cum Principal, NNC on the day. On the program our eminent Guest Speakers- Dr. Mamta, Assistant Professor, College of Nursing, AIIMS, Jodhpur enlightened us on Topic- "Understanding Healthcare Rights- An Overview" and Dr. Radhika M. Associate Professor, College of Nursing, IGIMS, Patna delivers on Topic- "Access to Healthcare: Challenges and Solutions".

On the virtual Webinar Dr. K. Latha, Dean cum Principal, NNC, Dr. Shaveta Sharma, Vice Principal, NNC, Ms. Anila Goswami, Sr. Manager, Echo India and Mr. Albin Mathew, Manager, Echo India has graced the event. The total no. of registration were 723 and more than 500+ participants have joined the webinar from various organizations and healthcare sectors were present at this platform. The participants engaged the doctorate, undergraduate, post graduate, faculties and nursing officers together across India. With the collaborative efforts of Organising Team Members, Dr. P. Poonarasi, Ms. Nikee Minz, Mr. Sajjan Patel, Mr. Dinesh Kumawat, Mr. Akshay Deewan, Mr. Md. Umar, Mr. Vikrant Kumar and Mr. Biplab Dinda, have engaged the program with enthusiasm, curiosity and respect for one another's perspectives.

**Conclusion:** The guest speakers were appreciated for sharing their valuable insights with the participants and shared e-certificate, thank you letter and remuneration of Rs 1000/- to each speaker as token of appreciation. We also expressed our warm gratitude to the ECHO India for the remarkable efforts and providing the technical support in the webinar. Special greetings were sent to, Ms. Anila Goswami, Sr. Manager, Echo India and Mr. Albin Mathew, Manager, Echo India for coordinating at the program. All the participants in the webinar received the e-certificates after filling the feedback form. The program summary was also covered by the local news paper with the support of PRO, GNSU.

## About FDP

The purpose of the Faculty Development Program (FDP) on Machine Learning Using Python Programming was to equip educators, researchers with the necessary knowledge and skills to incorporate state-of-the-art machine learning techniques into their curriculum and research. This comprehensive program covered the foundational concepts of Python programming, machine learning, including supervised and unsupervised learning, as well as real-world applications of generative AI. Participants have benefited from hands-on and practical sessions that leverage Python's powerful libraries, such as scikit-learn, Pandas, and Matplotlib, enabling them to build, train, and deploy machine learning models effectively. The participants were well equipped to teach machine learning concepts, supervise student projects, and contribute to academic research with enhanced technical proficiency and confidence. The FDP also covered best practices in data preprocessing, model evaluation, and hyperparameter tuning to ensure participants are equipped with a comprehensive understanding of machine learning techniques. Additionally, experts talked from industry people who provided insights into real-world applications of machine learning in various fields. The key topics were covered in this FDP as listed below:

- ☐ AI resources and its applications
- ☐ Synergizing Machine Learning and Blockchain
- ☐ Basic and Advance Python Programming
- ☐ Machine learning tools and their uses
- ☐ Regression Analysis
- ☐ Logistic Regression and SVM
- ☐ Decision Tree and Ensemble Modelling
- ☐ K-means clustering
- ☐ AI ethics, future trends, and generative AI

## FDP Inauguration

The inauguration was held on August 5, 2024, at 9:00 a.m. in the GNSU conference hall. The chief guest of the program was Sri Gopal Narayan Singh (Chairman, GNSU). The guests of honor at the function were Sri Trivikram Narayan Singh (Managing Director, GNSU). In this occasion Dr. Kumar Alok Pratap (COE, GNSU), Sri Sudeep Kumar Singh (Academic Director, GNSU), Dr. Vivek Sharma (Dean, FMS), and Dr. Anunava De (Dean, FITE) were also present. The inauguration session was started with lamp lighting and Saraswati Vandana. The FDP coordinator Dr Ajay Kumar briefly intruduced about the ATAL FDP program and initiated further activities. The cocoordinator Dr KL Ambashtha proposed the vote of thanks.

## जीएनएसयू में सूचना एवं प्रौद्योगिकी विभाग द्वारा आयोजित की गयी पाइथन प्रोग्रामिंग का उपयोग कार्यक्रम

दिल्ली और सोन (आसम)। गोपाल नारायण सिंह विश्वविद्यालय, जमुहार के अंतर्गत संचालित सूचना प्रौद्योगिकी एवं अभियांत्रिकी विभाग के तत्वावधान में आज पाइथन प्रोग्रामिंग का उपयोग करके मशीन लर्निंग पर केंद्रित एक सप्ताह का फैंकेल्टी डेवलपमेंट प्रोग्राम शुरू किया गया। आज कार्यक्रम का शुभारंभ विश्वविद्यालय के प्रबंध निदेशक त्रिविक्रम नारायण सिंह, परीक्षा नियंत्रक डॉ. कुमार आलोक प्रताप, अर्कडमीक डिप्लोमा सुदीप कुमार सिंह, आईटी के डीन डॉ. अरुणव डे ने संयुक्त रूप से दीप प्रज्वलित कर किया। यह एफ डीपी आई सी टी ई प्रशिक्षण और लर्निंग एटीएल एकेडमी द्वारा प्रायोजित है और सूचना

प्रौद्योगिकी एवं अभियांत्रिकी संकाय गोपाल नारायण सिंह विश्वविद्यालय द्वारा आयोजित किया गया है। यह कार्यक्रम छः दिनों तक जारी रहेगा। आज के इस कार्यक्रम में समन्वयक डॉ. अजय कुमार एवं डॉ. कन्हैयालाल अम्बुछा रहे। आज आयोजित पहले सत्र में पाइथन प्रोग्रामिंग और दूसरे सत्र में मशीन लर्निंग के बारे में विस्तृत जानकारी दी गई। इस प्रकार की जानकारी से सभी प्रतिभागी काफी लाभान्वित हुए। उल्लेखनीय है कि इस कार्यक्रम में लगभग पचास प्रतिभागी प्रत्यक्ष रूप से प्रशिक्षण प्राप्त कर रहे हैं जबकि इसमें कुल 10 सत्र आयोजित होंगे। इन छात्रों के लिए देश के विभिन्न प्रतिष्ठित संस्थाओं से विशेषज्ञों को

आमंत्रित किया गया है जो ऑर्टिफिशियल इंटेलिजेंस से संबंधित विषयों पर अपना-अपना व्याख्यान देंगे। विदित हो कि दक्षिण बिहार प्रांत में यह पहला निजी विश्वविद्यालय है जहां इस प्रकार का कार्यक्रम आयोजित किया जा रहा है। कार्यक्रम की सफलता को लेकर कुलाधिपति गोपाल नारायण सिंह, कुलपति डॉ. महेंद्र कुमार सिंह, प्रतिकुलपति डॉक्टर जगदीश सिंह, सचिव गोविंद नारायण सिंह, प्रबंध निदेशक त्रिविक्रम नारायण सिंह एवं बोर्ड सदस्य मोनिका सिंह ने आशा व्यक्त की है कि निश्चित रूप से यह प्रोग्राम विश्वविद्यालय एवं बिहार के सूचना प्रौद्योगिकी के क्षेत्र में एक मील का पत्थर साबित होगा।

# Workshop Report: Open Access Publishing

**Date:** 8<sup>th</sup> June 2024

**Venue:** Conference Hall, Deo Mangal Sabhaghar , GNSU, Jamuahr, Bihar

**Organized by:** Gopal Narayan Singh University, Jamuhar, Rohtas, Bihar

## **Resource Person:**

Dr .Mohit Garg , Indian Institute of Technology , New Delhi

Ms. Priya , Associate Editor, Director of Open Access Journals

Dr. Ranjeet Kumar Singh , National Institute of Advanced Manufacturing Technology, Ranchi.

**Participants:** All dean & faculty members

## **Introduction**

The workshop on open access (OA) publishing, held at Gopal Narayan Singh University, Jamuhar, Rohtas, Bihar , aimed to educate faculty, researchers, and students about the principles, models, and practices of open access in scholarly communication. The session emphasized the role of OA in enhancing research visibility, accessibility, and global collaboration.

## **Workshop Objectives**

- To introduce the concept and evolution of open access publishing.
- To explore different OA models (gold, green, hybrid) and their implications for researchers.
- To discuss challenges in OA publishing, including funding, copyright, and predatory journals.
- To provide practical guidance on publishing in OA journals and managing institutional repositories.

## **Workshop Agenda**

### **1. Welcome and Opening Remarks**

**Speaker:** Dr. Amit Kumar Singh

An overview of the importance of OA in the current academic landscape.

### **2. Lecture session**

- Dr .Mohit Garg , Indian Institute of Technology , New Delhi
- Ms. Priya , Associate Editor, Director of Open Access Journals
- Dr. Ranjeet Kumar Singh , National Institute of Advanced Manufacturing Technology, Ranchi.

  
**Vice Principal**

**Jamuhar, Rohtas (Bihar)**

  
**Coordinator**  
**IOAC (NAAC)**  
**Gopal Narayan Singh University**  
**Jamuhar, Rohtas (Bihar)**

## Topics:

- **Understanding Open Access Publishing**
- **OA Models: Green, Gold, and Hybrid Explained**
- **Challenges and Ethical Considerations in OA Publishing**
- **Institutional Support for Open Access at GNSU**
- **Interactive Q&A and Discussion Session**

Participants engaged in discussions about their experiences with OA publishing and shared best practices.

## Key Takeaways

- Open access significantly increases the visibility and impact of scholarly work.
- Understanding the different OA models helps researchers choose the best option for their work.
- Institutional support, including funding for APCs and access to repositories, is crucial for OA success.
- Awareness of predatory journals is essential to maintain academic integrity.

## Participant Feedback

- Most attendees found the session on OA models particularly helpful.

## Conclusion

The workshop successfully highlighted the critical role of open access in modern academia. Participants gained practical insights into navigating OA publishing, making informed decisions about where and how to publish their research.

## Recommendations

- **For Researchers:** Stay informed about OA policies, consider OA journals, and utilize institutional support services.
- **For the University:** Enhance support for OA through workshops, funding opportunities, and clear communication of OA policies.
- **For Future Workshops:** Include more case studies, hands-on sessions, and discussions on emerging OA trends like open data and Plan.
